NO EASY TASK. One of two boiler units, weighing more than 40 tons, is moved Thursday from the old power plant at St. Elizabeth Medical Center to the new power plant at the hospital complex on Washington Avenue across from the psychiatric wing of the medical center, part of which is seen at the extreme left of the photo. At right is the east side of the Binney Wing adjacent to

Niedringhaus Avenue. Nearly touching power wires, the unit was moved using a truck equipped with a winch to pull it up an incline to street level and special trailer units under the boiler designed to support the weight of the unit. The second unit will be moved this week.

Madison may use Junior High for vocational school

By MICK STRANGE
of the Press-Record

The Madison Board of Education at its Thursday meeting increased by \$30,000 its new budget for the 1979-80 building fund.

The increase was approved to provide funds for expenditures at the new middle school and the possible conversion of the old Junior High School building to a vocational facility.

The board has been discussing the past several months a plan to update the vocational program in the district. Several board members feel the junior high building on Third street would lend itself to vocational programs at minimal cost.

The amount budgeted for the 1979-80 building fund is now \$775,750, an increase of \$178,250 over the 1978-79 budget of \$597,500. Actual expenditures for 1978-79 were \$184,150.

In passing the budget the board also increased the Education Fund over the tentative budget figure by \$5,000 for the expansion of the girls sports program.

The 1979-80 budget for the Educational Fund is \$1,324,000, an increase of \$402,135 over the 1978-79 budget of \$921,865. Actual expenditures were \$2,990,218.

The Transportation Fund for the 1979-80 budget is \$164,000. This represents a budgeted increase of \$39,300 over 1978-79 budget of \$125,300. Actual expenditures in 1978-79 were \$98,179.

The budgeted amount for the Illinois Municipal Retirement Fund remained the same at \$93,000. Actual expenditure

in 1978-79 was \$80,025.

A public hearing on the school budget was held at 7:30 p.m. prior to the official board meeting. However, with the exception of school board members and members of the school administration, no other citizens were present.

The overall total figure for the Madison School budget is \$5,823,050.

Water infiltration endangering sewers

By HARRY BARNES
of the Press-Record

Replacement of a series of sanitary sewer lines and expansion of the city's sewer televising and grouting program have been recommended in a report by Sverdrup & Parcel and Associates, St. Louis planning and consulting engineers.

The report emphasizes that infiltration into sanitary sewers in the Nameoki area, including the "old town area" west of Nameoki Road, has resulted in a state of disrepair that

"require immediate corrective measures."

Specifically, the study, ordered by the Granite City Council to help determine the most cost-effective approach to solving repeated sewer breaks, recommends two programs, one for the Nameoki area east of Nameoki Road and the other for the old-town area west of Nameoki Road.

For the Nameoki area, the report recommends that the city's existing televising and pressure grouting

Illinois key presidential battleground

By ROBERT ESTILL
Press-Record
Washington Bureau

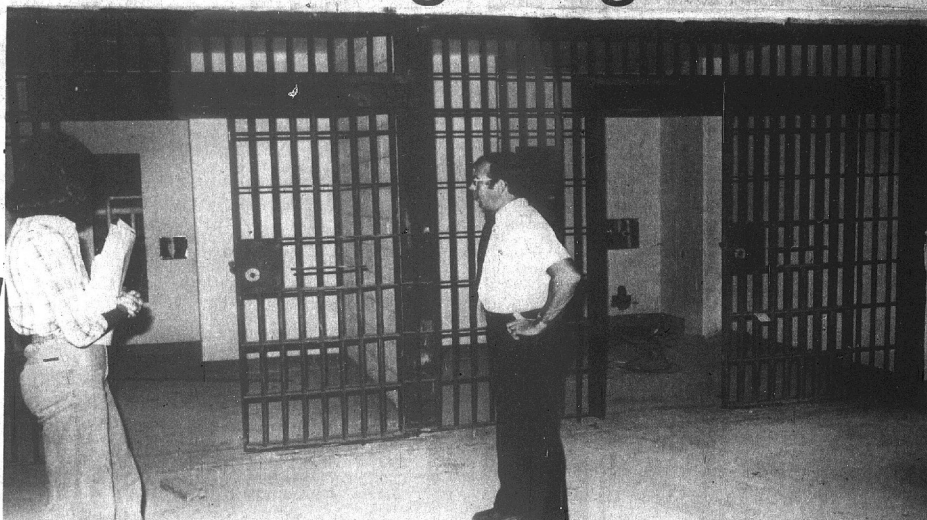

If Sen. Edward Kennedy, D-Mass., challenges President Carter, Illinois and other Midwestern states could become the pivotal battleground of the 1980 presidential campaign.

A Kennedy-Carter clash, which now appears inevitable, can only deepen the rift between Northeastern liberals and Southern conservatives.

If Kennedy wins the Democratic nomination, Republican prospects of carrying the Southern states are enhanced.

A Northeast-South split could make the Midwest the crucial arena both at the Republican and Democratic

LAUNDRY LOOTED
Items worth about \$50 were stolen and damage totaling about \$235 was committed last week at the Highland Center Laundry at West Pontoon Road and Briarcliff Drive. A dollar bill changing machine was broken in an attempt to break into it. Tiles were pulled from the bathroom ceiling and other damage was done inside. Taken were a fire extinguisher and a chair.

Elvers Johnson, 58, dies; Madison board member

Elvers "Billy" Johnson, 58, of 716 Jackson St., Madison, a member of the Madison Board of Education, died about 7:30 p.m. Sunday.

Mr. Johnson was the guest speaker Sunday at the New Jerusalem Church in East St. Louis and was in the midst of his address when he was stricken suddenly with an apparent heart attack. He was taken to St. Mary's Hospital in East St. Louis, where he was pronounced dead signs of life at 7:30 p.m. Mr. Johnson was born and reared in Madison. He was graduated from the public schools here in 1940.

He attended the School of Aerodynamics in Chicago until being drafted into military service in 1942. He served with the Army Air Corps at Tuskegee, Ala., and was honorably discharged in 1945 at the end of World War II.

Mr. Johnson was an inventory manager at the Federal government prior to retiring in December 1972 from the Army Aviation Systems Command in St. Louis.

He majored in business and accounting at Hubbard's Business College, St. Louis, and held diplomas from June of Prophecy, Christian Education and Moody Bible Institute, with additional studies at the Bible Institute, St. Louis.

Mr. Johnson was initially appointed to the Madison School Board in July 1973 to fill a vacancy and was elected in April 1974 to a three-year term. He was reappointed to the board in April 1978 to fill the unexpired term of Harold Fisk and then won a three-year term in April 1979. Madison School Board President Sam Dymas today announced that all flags on Madison schools be lowered to half staff in tribute to Mr. Johnson.

He also served as a member of the Madison

PULLEY, MRS. LOETTA M. (COLE), 4113 Division St., Madison. Entered into rest at 2 a.m. Saturday, Sept. 22, 1979, in St. Elizabeth Medical Center.

Beloved wife of Joseph Pulley, dear mother of Paul and Darrell Pulley; dear sister of Mrs. Georgia Cox, Mrs. Betty Nance, Mrs. Mary Cox and Jesse Cole; dear daughter of Mrs. Edith Cole.

Funeral services at 1 p.m. today, Sept. 24, Cedar View General Baptist Church, 3700 Ruth Drive, with the Rev. Rudolph Hickerson officiating. Arrangements by IRWIN CHAPEL FOR FUNERALS, 2801 Madison Ave. Interment, St. John Cemetery in Collinsville.

REARDON, MRS. GERTRUDE MAE, (Jackson), 2421 Grand Ave. Entered into rest 5:30 a.m. today, Monday, Sept. 24, 1979, at St. Elizabeth Medical Center.

Beloved wife of the late Harold Reardon; dear mother of the late Maureen and Janet Reardon; dear sister of Harry and Dwight Jackson and Mrs. Velma Rigdon; dear uncle.

Services 9:30 a.m. Wednesday, Sept. 26, at Glendale Memorial Gardens, Pekin, Ill. Visitation after 3 p.m. Tuesday at BOB THOMAS MEMORIAL MORTUARY, 2205 Pontoon Road. Family requests memorial be sent to Kidney Foundation.

ELVERS JOHNSON
Dies Sunday

County Economic Opportunity Commission and a Madison playground-recreation commissioner.

Surviving are his wife, Mrs. Vernice Griggs Johnson; five daughters, Mrs. Clarice Lanton of St. Louis, and Miss Harilyn Johnson, Miss Marsha Johnson, Mrs. Kathleen Buckles and Miss Charlene Johnson, all of Madison; his mother, Mrs. Jessie Johnson of Madison; and one granddaughter, Terrilyn Lanton of St. Louis.

Funeral arrangements are given in the obituary column.

Mr. and Mrs. Dennis Dumanav, 129 Troeckler Lane, Sept. 23, Christina Nicole, four pounds.
Mr. and Mrs. Kent Boner, 1136 Greenwood St., 24, Carrie Marie, eight pounds, two and one half ounces.

CAR HITS POLE

Edwin Smith Jr., 25, of 1605 Kirkpatrick Homes, was injured when his eastbound auto went out of control and struck a utility pole on 22nd Street west of Madison Avenue at 7:45 p.m. Thursday. He was taken by a Granite City ambulance to St. Elizabeth Medical Center where he was admitted with a cut to his head and pain to his left side.

Boy hurt seriously by hit and run car

Madison County sheriff's deputies are investigating a hit and run accident which resulted in serious injuries to 4-year-old Elvis Flowers of 2500 North St., in front of his home at 6:15 p.m. Thursday. Witnesses said a gold car, possibly a 1975 Mercury, was being driven west on North Street in a reckless manner and struck the young boy who was crossing the street with his 7-year-old sister Dana.

A witness said that after the car struck the boy, it slowed, as though it was going to stop, but then sped away at a high rate of speed. Another motorist attempted to chase the auto, but lost sight of it when it sped toward Route 3.

The injured boy was taken to St. Elizabeth Medical Center and was transferred to Cardinal Glennon Children's Hospital with several broken bones, possible internal injuries to his head and body and with chest and abdominal pain.

The car that struck the youth fled north bound on Highway 151 where it almost ran another north bound vehicle off the road near Prather Junior High School. Madison County Sheriff's deputies are asking anyone

that saw the accident or perhaps the fleeing car to contact them.

Detective Sgt. Charles Zukas said all information will be kept confidential and that anyone having any knowledge are being asked to contact the detective division of the sheriff's department.

Sgt. Zukas said they believe only one person was in the hit and run auto.

COFFEE HOUR

A "get acquainted" coffee hour will be held Sept. 25 at Emerson School from 9:30 a.m. to 10:30 a.m. in the cafeteria.

Chairmen of the event are Carol Finkhouser and Joy Causey.

NORTH QUEEN HOPEFULS. Nijle candidates for Granite City High School North's Fall Festival '79 homecoming are anxiously awaiting the results of secret balloting last week for the top honor of homecoming queen. From left, front row, are: Sue Basarich, Kelly Smith, Pam Polach and Debbie Morris.

Back row, Brenda Watson, Deanna Orris, Jacque Boatman, Edna Thomas and Pam Carnahan. The queen and her court will be presented after the Oct. 3 and 4 productions of "Cheaper by the Dozen."

(Press-Record Photo by Pat Foley)

Ment sent to county jail

Don W. Craig, 22, of 623 Lincoln Ave., Venice, and Nathan G. Householder, 25, of 2024 Alton Ave., Madison, were transferred from Granite City police headquarters to Madison County Jail at 5:25 a.m. Friday, after a mittimus was issued on each man.

Craig was charged with criminal trespass to a motor vehicle and two counts of criminal damage to property.

One of the counts involved an incident at police headquarters where, when Craig allegedly tore a steel bunk from the cell wall.

The other two charges evolved from an incident at 3:50 a.m. Wednesday, when Craig and Householder allegedly damaged a vehicle, parked in the 2200 block of E. 24th Street, and were arrested.

At an appearance Thursday, bonds were set at \$6,000 for Craig and \$2,000 for Householder.

RICHARDSON HONORED Robert Richardson, of Granite City Boat & Motor, has returned from Port St. Lucie, Fla., where he attended the 1980 Mercury marine dealer congress. He was one of only 170 top Mercury outboard motor dealers chosen from throughout the U.S. and Canada, awarded the three-day expense-paid trip for outstanding performance during the 1979 model year.

May meet on role of region's citizens

The possibility of a meeting on citizen participation, involving the East-West Gateway Coordinating Council board, executive advisory committee and EWGCC Regional Forum will be considered by the board at 1:30 p.m. Wednesday.

At its meeting on Sept. 12, the Regional Forum voted to adopt new bylaws and also considered a "resolution on Council policy on citizens' participation" which was prepared by an EAC subcommittee.

The Forum approved a motion to:

- Present to the EAC and the board the bylaws which were adopted by an 18-1 vote of the Regional Forum.
- State that the resolution appears unacceptable with particular reference to paragraphs 4a and 4b. And,

Again call for a meeting of members from the Regional Forum, board, EAC and task forces to resolve the differences at the earliest possible time.

At its meeting on Sept. 17, the EAC considered a motion to adopt the resolution and a substitute motion to recommend to the board that it accept the by-laws of the Regional Forum rather than the resolution.

The EAC approved a

motion to table both of these matters.

At the same meeting, the EAC approved a motion to recommend to the board that a meeting be held between members of the board, EAC and Regional Forum to reconcile this issue.

At stake are the way citizen task forces are created and the extent to which they compete with, rather than advise, the Gateway Council board. The board has been reluctant in recent weeks to formally discuss the topic with the Forum.

Pastor returns after absence

A surprise welcome home party was given by the congregation of City Temple Assembly of God Church for the pastor, the Rev. A.E. Cope and his wife.

Rev. and Mrs. Cope were away from the church for almost a month. They attended the Assemblies of God General Council in Baltimore, Md., and also visited relatives in Virginia.

Rev. Cope said the trip was fruitful, but they were glad to be home.

A buffet dinner was served to approximately 180 people.

Gun disposal handled properly—Chief Veizer

The Granite City police are following state statutes in disposing of all weapons seized by officers, Chief of Police Ronald J. Veizer told the Press-Record Friday. Allegations that the Collinsville police have improperly disposed of some weapons by selling them or giving them to officers are being investigated by a federal grand jury following an investigation by the Division of Alcohol, Tobacco and Firearms of the Justice Department.

Veizer said procedures used by the Granite City police assure that the law is being followed here. "All weapons which come into the hands of the Granite City Police Department are kept in the custody of an evidence officer, under lock and key, until a court order is given ordering them released or destroyed. No weapons are released until a judge signs an order and we then follow the court order," Veizer said.

UNDERCOATING—RALPH'S TEXACO 22nd & MADISON AVE.

Ninety attend Anchorage meeting

Anchorage Senior Citizens met last week for a potluck at the recreation center. Ninety members and guests were present.

Guests were Mrs. Betty Pavish, Mrs. Gary Allen, Martin Schulte and Mr. and Mrs. Daniel Seymour.

President Georgia Butler and members welcomed Mrs. Alicia Seiple, a member who had been ill for over a year.

It was announced that the Rev. Leroy Filbey and Lillian Woods were ill.

Petitions were handed out for members to sign to keep the Merrier will not meet Sept. 27.

Birthday flowers were given to Edith Penrod, compliments of Willis Florida. A business and birthday meeting will be held Oct. 3 at 1 p.m.

Marion Lionberger, 73, dies

Marion John Lionberger, 73, of 1543 Third St., Madison, a retired police captain, died at 8:15 a.m. Friday at St. Elizabeth Medical Center.

He had been ill seven days and had entered the hospital at that time.

Mr. Lionberger was born in Madison and resided in that community his entire life.

He was a member of the Madison Police Department for 24½ years, prior to retiring June 1, 1967, with the rank of captain.

Mr. Lionberger was a member of Granite City Masonic Lodge 835 and the Police Benevolent and Protective Association of Illinois.

He is survived by his wife, Mrs. Dorothy W. Lionberger; two daughters, Mrs. Hubert (Marion June) Boyer

of O'Fallon, Mo., and Miss Dorothy Jean Lionberger of St. Louis; a sister-in-law, Mrs. Ruth Lionberger of Madison; and three grandchildren.

A brother, Mervin C. Lionberger, died Feb. 23, 1969.

Funeral services were held at 10 a.m. today. Details are given in the obituary column.

THEFT IN MITCHELL

Burglars took items valued at about \$200 from a truck at Duffin Brothers Lumber Co., 739 E. Chain of Rocks Road last week. It is believed they climbed over the fence to gain entry to the yard. Taken from the truck were two fire extinguishers, a hammer, a tape measure and a first aid kit, deputies were told.

AND
DAWN RANAE PERRIN,
a minor,

Defendants

No. 79-F-678

PUBLICATION

ADOPTION NOTICE

The requisite affidavit for

publication having been

filed, notice is hereby given

to you and each of you ALL

WHOM IT MAY CONCERN

and to whom it may concern,

that on the 11th day of

September A.D. 1979,

DAVID WAYNE DOWNS

and CONNIE RANAE

DOWNS filed a petition in the

office of the Clerk of the

Circuit Court of Madison

County, Illinois for the

adoption of a child named

DAWN RANAE PERRIN

that summons was duly

issued, returnable according

to law, and that said petition

is still pending.

Now unless you, RONNIE

DAVID PERRIN, the said

Defendant, file your answer,

or otherwise make your

appearance in said cause,

before October 2nd A.D.

1979, default may be entered

against you at any time

thereafter and a decree of

adoption entered in ac-

cordance with the prayer of

said petition.

TO: BOB ELLIOTT

(FATHER OF KASHA

FRACHAEL, A MINOR) 79-

J-461 and to All Whom It May

Concern:

Take notice that on the

23rd day of August, 1979, a

petition was filed under the

Juvenile Court Act by

Assistant State's Attorney

Barbara Joiner in the Circuit

Court of Madison County

entitled 'In the interest of

Kasha Frachael, a minor',

and that in Circuit court-

room at Edwardsville on the

3rd day of October at the

hour of 2:30 p.m., or as soon

thereafter as this cause may

be heard, an adjudicatory

hearing will be held upon the

petition to have the child

declared to be a ward of the

court under that Act. The

court has authority in this

proceeding to take from you

the custody and guar-

dianship of the minor, and to

appoint a guardian with

power to consent to adoption

of the minor.

Now, unless you appear at

the hearing and show cause

against the petition, the

petition may be taken for

confessed as against you and

each of you, and an order,

judgment or decree entered.

Studying in England

Shannon Glasgow, a University of Evansville (Indiana) student from Granite City, is attending Harlaxton College, U.E.'s campus in England, this fall. He is one of 17 students to receive a Harlaxton scholarship for the 1979 fall semester.

Centrally located in England, the college is designed as ideally suited to the university's needs. The four-day academic week allows students extended weekends to explore the British countryside.

Field trips are arranged by the university throughout each semester to enhance the coursework. Harlaxton College operates on a semester system, with six weeks provided between semesters for field experience so that advantages of the environment may be fully explored.

The University of Evansville is an independent, co-educational, Methodist-affiliated institution located in the southwestern corner of Indiana. Founded in 1854, U.E.'s degrees in more than 80 areas of study.

Shannon Glasgow is the son of Mr. and Mrs. Bennie F. Glasgow, 2409 Grand Avenue.

IT'S UP TO US. That is the primary message conveyed this fall to workers at the Union Electric Venice plant by Walter Campbell, who was guest speaker at last year's campaign kickoff breakfast of the Tri-Cities Area United Way. Campbell stressed the importance of 100 percent participation by the power plant workers to help those who need assistance. Every employee in the plant attended similar meetings in the plant's conference room throughout the day-long program.

Second son for Brueggemanns

Mr. and Mrs. Alan (Sally) Brueggemann of Afton, Mo., are announcing the birth of their second son, Mark Alan, born Sept. 16 at St. John Mercy Hospital in St. Louis.

At birth, he weighed six pounds, 15 ounces. He joins a brother, John, 5, and a sister, Mary. He was born on Mary's second birthday. Clifford Brueggemann of Shrewsbury, Mo., is the paternal grandfather.

Mrs. June Stieb of Granite City is the maternal grandmother.

YOM KIPPUR TV 5 PROGRAM PLANNED

"Turnings: A Yom Kippur Dialogue" will be presented by the Jewish Theological Seminary of America as an "Eternal Light" High Holy Day special program on Television Channel 5 on Sunday, Sept. 30, from 8 to 8:30 a.m., through NBC-TV. The program will observe the most solemn day of the Jewish calendar. The dialogue will explore aspects of the Yom Kippur holiday, emphasizing its significance and its relevance to the life of Jews today.

Watering trees during autumn

By WAYNE SIEFERT
Area Horticulture Adviser

A little extra water is the extra something some gardeners use to guarantee good growth and survival. Young trees are trying to make a little extra growth before fall, but wilting and leaf burn is occurring because of the dry weather. Root development is a vital function of all trees during the fall, and especially important when recently transplanted.

Lawn fertilizing will supply adequate fertilizer for young trees, now top off your tree care program with extra watering.

Filling the soil depressing around the tree or a slow trickling hose is beneficial, but the best watering is deep soaking of the lawn area surrounding the tree.

New developing roots are encouraged by this unlimited water supply and the soaking carries some of the lawn fertilizer to the root zone where the tree gets a share. Extra care will pay big dividends next spring when

your pet tree makes the extra growth or produces those extra flowers.

Fall transplanting of roses is a successful event if you can move some soil with the roots and supply a little TLC (tender loving care).

If you are planning on re-engineering your rose garden, fall transplanting is a good time while you can see the colors and evaluate the performance of each plant.

Try to move plenty of soil with the roots and replant at the same depth. Prune back the transplant about 50 percent and plan on watering twice a week until fall rains can take over.

Fall mulching with leaves or grass clippings is especially important with new transplants to prevent deep freezing and control fall weeds.

Your new transplant probably will not bloom, but it should make a little growth. Within a year, the transplants should be performing as well as any rose in your garden.

Grand son born in Germany

Mr. and Mrs. Frank Busler, 2806 W. 20th St.,

received an overseas telephone call Thursday from their son, Army Staff Sergeant John E. Thomason, who had just become the father of an infant son.

Sgt. and Mrs. Thomason became the parents of their first child, Shawn Eric, Wednesday, Sept. 19. The new arrival was born at the U.S. Army's 120th Medical Detachment Hospital at Erlangen, Germany.

He weighed eight pounds, two-and-a-half ounces.

The mother is Army Specialist Four Nancy Thomason.

She is an x-ray technician and has served in the U.S. Army for the past 12 years.

The paternal grandparents are Mr. and Mrs. C. D. Thomason of Sullivan, Mo., formerly of Granite City.

Sgt. Thomason and his wife have been stationed in

Germany almost three years.

They are expected to be reassigned to the United States in about six months.

Sgt. Thomason formerly served with the Army's cavalry unit in Arizona. The former Granite Cityan was among those responsible for organizing the Army's horse show, which was presented in 1976 at Philadelphia, Pa., as part of the official United States Bicentennial celebration.

Later, the show was repeated in Hollywood, Calif.

He has been in the Army for 17 years and presently is an instructor at Erlangen, Germany.

Budgets for new programs at university

Final budget requests for five new programs and 10 programs expansions for the 1980-81 fiscal year at Southern Illinois University at Edwardsville have been approved by the SIU Board of Trustees.

The requests, which become part of the university's Resource Allocation and Management Program (RAMP) planning documents, will be submitted to the Illinois Board of Higher Education for consideration.

No new state appropriations are requested for four of the new programs: Bachelor of Science in Dental Hygiene, Specialty Certificate in Prosthetics, Specialty Certificate in Periodontics, and Master of Arts-Master of Science in Ethnic and Cultural Studies. Budgets for these programs are proposed through reallocation.

The university is seeking \$35,000 in new state appropriations for the remaining new program, Master of Public Administration.

The program expansions and new state appropriations requested, totaling \$62,791, include:

B.S. in Engineering, \$24,750; B.S. Major in Construction, \$18,200; Doctor of Dental Medicine, \$125,000; M.S. Major in Psychology, Community School Psychology Specialization, \$15,101; School of Nursing, \$150,000; Environmental Resources Training Center, \$44,000; Academic Resource Center, \$65,540; Southern Illinois Census Data Program, \$25,000; Faculty Development, \$75,000; Library Computer System, \$90,200.

Gabriel Shrine past officers meet

The Past Officers group of Gabriel Shrine 78, Order of the White Shrine of Jerusalem, met at Bill Burns Cafeteria, Mrs. Clara Harbig was hostess.

The invocation was given by the hostess. After dinner, President Bess Henley conducted the business meeting. Prizes were awarded to Ida Cariss and John DeHart.

Others attending were: Mr. and Mrs. Raymond Barr, Mr. and Mrs. Emmet Garraher, Mr. and Mrs. John DeHart, Mr. and Mrs. David John, Mr. and Mrs. Leo Lips, Mr. and Mrs. Charles McCollum, Mr. and Mrs. Delbert McKissick, Mr. and Mrs. Roland Mueller and Mr. and Mrs. Oco Woods.

Also, Mesdames Karmyn Edmonds, Effie Johnson, Florence Spahr and Mary Petrosian, Mrs. Florence Spahr will be hostess on Dec. 1.

TRUCK IS STOLEN

The 1979 Ford truck of David Andrews of Granite City was stolen from Route 157 at the Bell Line in Collinsville last week. The vehicle contained about \$700 worth of tools, Collinsville police were told.

BUSES TO THE ARCH, a program to encourage visitation to the Jefferson National Expansion Memorial area, is launched for the fall season by Charles G. Houghton, executive director for the program, and Norman G. Messinger, acting superintendent, National Park Service, in front of the Gateway Arch in downtown St. Louis along with one of the Bi-State buses, which the National Park Service will schedule to transport groups of 20 or more people to and from the Arch or the Old Courthouse.

Scottish Rite Council in 167th yearly meet

One of the nation's largest Masonic conventions is being held at Chicago this week (Sept. 21 through Sept. 27) as the Supreme Council of Scottish Rite Freemasonry for the Northern Jurisdiction conducts its 167th yearly meeting.

A total of 2,500 Thirty-third Degree Masons and wives are attending from the 15 northeastern and mid-western states making up the 500,000-member Northern Jurisdiction.

The Thirty-third Degree, highest honor of Scottish Rite Masonry, will be conferred on Wednesday, Sept. 26, upon 183 members of the Fraternity coming from the participating states and selected by the Supreme Council because of "outstanding contributions to Freemasonry or for significant service to others reflecting credit on the Fraternity."

Executive and General Sessions are scheduled

Group disturbs woman; charge 1

Mrs. Betty J. Hosier, 2800 Maryville Road, reported that a large group of people creating a disturbance in the vicinity of Maryville and Northbridge at 10 p.m. Tuesday had been the source of harassment for the past several weeks.

One youth repeatedly kicked at the fence around her home, she alleged.

Police arrested Jay LeMaster, 17, of 2724 Maryville Road, charging him with disorderly conduct. He was released at 10:30 p.m. on payment of a \$35 cash bond to appear at a later date.

Special bus service to Arch

A program to encourage visitation to the Jefferson National Expansion Memorial — the Gateway Arch, the Museum of Westward Expansion, the Old Courthouse and surrounding grounds — is now available to residents of the St. Louis metropolitan area, it has been announced by Jerry L. Schober, superintendent, National Park Service.

The "Buses to the Gateway Arch" program is aimed for the elderly, the handicapped and less mobile individuals who live in the two-state area and who do not have access to transportation. Purpose of the federally-funded project is to make national parks more

accessible to area residents. The special bus program has been funded for the remainder of this year and approved for the following two years.

Bi-State buses will pick up groups of 30 or more people who make telephone reservations in advance and take them to and from the National Park Service site for a nominal charge of 10 cents per person each way. Exceptions can be made regarding the group size.

Passengers may visit other tourist attractions or the group may shop or go to a restaurant in the downtown area before the return trip. Those riding the special bus also take advantage of the free events scheduled at

the Old Courthouse throughout the year historical lectures, book reviews and seasonal activities.

Bus pickup and return trips are scheduled at times between and after peak hours during weekdays and all day on Saturdays and Sundays.

For further information or to make reservations, Illinois residents may dial the operator and ask for Enterprise 2096. Raymond L. Breun is education coordinator of the "Buses to the Gateway Arch" National Park Service program.

Swimnastics for women

A women's "swimnastics class" will be offered this fall at the Tri-City Area YMCA, beginning Oct. 1. The class will meet on Monday and Wednesday mornings from 9 to 9:45.

Lee Szur will teach the class, which will include 30 minutes of exercise in the pool, followed by 15 minutes of open swim. During this 15-minute period, she will offer swimming instruction to those wanting.

Registration is being made by calling 876-7200. There is no charge for members and the cost for non-members is \$8 per four-week session.

Craft shop to offer courses

The University Center Craft Shop of Southern Illinois University at Edwardsville will offer several non-credit courses this fall which are open to the general public, students, faculty and staff.

Courses will be offered in ceramics, stained glass, photography, macrame and other areas of interest beginning Oct. 8 and continuing for six weeks. The classes will meet in day and evening sessions according to demand.

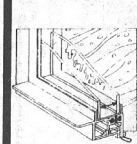

Cost of the courses will

range between \$15 to \$22. Interested persons may register for the classes through Oct. 8 by contacting the Craft Shop office, first floor of the University Center, or calling (618) 692-2178.

RADIATORS STOLEN

Lester White Jr., manager, of White's Auto Sales, 739 Madison Ave., Madison, discovered at 7:30 a.m. Wednesday the garage door had been forced and five auto radiators stolen.

County Baptist Association plans 35th annual meeting

The Madison County Baptist Association will hold its 35th annual meeting Thursday and Friday at the First Baptist Church of Madison, 1665 Fifth St. Sessions are scheduled from 9:30 a.m. until 12 noon and from 7 p.m. until 9 p.m. on both days.

Dr. W. L. Muncy of Missouri Baptist College, St.

Louis, will conduct a Bible study of the Book of Galatians at each of the sessions, according to W. T. Brown, director of missions for the association.

The Rev. Harold Garrett, pastor of Suburban Baptist Church of Granite City, will deliver the annual sermon during Thursday evening's session.

A message at the Friday morning meeting will be presented by the Rev. James Doom, director of stewardship for the Illinois Baptist State Association.

A combined choir, consisting of persons from various association-member churches in Madison County, will sing at the final session on Friday night.

The choir will be under the direction of Jack Jenkins, director of music for the

Second Baptist Church in Granite City.

The Rev. Morris Anderson, pastor of Grace Baptist Church in Granite City, will offer the message to close the meeting Friday night.

All four sessions at the annual meeting will be conducted by the Rev. Marvin Peters, pastor of the First Baptist Church in Granite City.

Job stress and men's workshops

Stuart L. Marcus of the Family Counseling Center, 5108 N. Illinois St., Belleville, will conduct two job and life enrichment workshops on Saturdays during September and October.

Coping with Job Stress (for men and women) is the first workshop, to be held Saturday, Sept. 29, from 12 noon to 4 p.m. The objectives are to help individuals explore the nature of their job frustrations and develop coping strategies.

Workshop 2, Men's Discussion and Problem-Solving Group, will give men the opportunity to discuss concerns which cause them distress in marriage, friendships, careers and social roles. The format will be informal. This workshop will be held Saturday, Oct. 13, from 12 noon to 4 p.m.

GCHS NORTH CREW CHAPERMEN

assisting with the task of play production will learn new skills as they prepare for the Granite City High School North Homecoming Play, "Cheaper by the Dozen." Front row, seated from left, are: Bev Tester, Kristy Jo Whitaker, Amber Hogan, Tracie Millard and Mickey Loftus. Middle row, kneeling, Lynn Jeffries, Jenn Papa, Anne Fuller, Kim Woodward, Wendy Ryan, Julie Beck, Susan Bealey and Carla Cunningham. Standing, Jeanne Trimmer, Mark Behrville, Mark Disney, Eric Disney; Teresa Hickam, George

Compton and Nicol Barr. Not present for pictures were Mary Burnett, Jim Bradley, Jenny Evans, Tami Palmer, Lia Salem, Cathy Gravielle, Connie Siebert, Howard Theis, Jeff Joyce, Terry Roberson, Jennifer Herman and Larry Townsend. Tickets for the play go on sale at North Wednesday. The play is scheduled for Wednesday and Thursday, Oct. 3 and 4, in Memorial auditorium on the South campus. Tickets purchased in advance are \$1.50 for students and \$2 for adults.

\$19 billion by the 50 states for universities

About \$19 billion is the total of state tax funds appropriated by the 50 state legislatures for annual operating expenses of all higher education for the 1979-80 fiscal year.

This is a gain of 24 percent over the comparable sum for fiscal 1977-78—two years ago—and a rate of gain somewhat faster than the rate of inflation for the same period.

Largest increase in any state is in California (43 percent), due in considerable part to the shift of support of 106 community colleges from about 40 percent state tax sources in 1978 to 75 percent for 1980 because their local property tax support was cut by more than half in the meantime.

Parent group will see film

Parents Without Partners will hold a meeting Wednesday, Sept. 26, at 7:30 p.m. at 2334 E. 25th St. Featured will be a film from the National Safety Council entitled "Home Safety," presented by Bill Lindeman.

Sue Borstein, a representative of the Mental Health Clinic, will explain new programs offered on family life and education, and services available for single parents and their children.

Prospective members are welcome. To be eligible for membership, they must be single and the parent of at least one living child.

Custody is not a factor, nor is the age of the child.

Additional information is available through Mary Dykstra, 797-6817, or Arline Boner, 451-7505.

Madison rejects appeals request

The Madison City Council at its meeting last week unanimously voted to allow Carl J. Ropac to build a garage at his home, 1323 Grand Ave., which would be 18 inches from the property line.

George Amish, chairman of the board of appeals, recommended to the council denial of Ropac's request, due to objections from a neighbor on the south side of his property.

A group of 14 persons from Ropac's neighborhood were present at the council meeting in support of Ropac's request.

Mayor Mike Sasyk reported that he attended a meeting on Wednesday, Sept. 12, in reference to Madison residents allegedly owing \$50,000 in delinquent Metro-East Sanitary District sewage treatment charges.

Students named to dean's list

Three students from Granite City were named to the spring semester dean's list at Illinois State University at Normal.

Students who make the dean's list have achieved grade-point averages that place them in the top 10 percent of the respective colleges at the university.

Those from Granite City included Philip Erwin Jones, 1600 Garfield Ave.; and Brenda Lee Mueller, 2812 Madison Ave. and Jamie Marie Stephens, 1712 Venice Ave., both with "A" averages.

HOUSE BURGLARY

Stephen Warren, 111 Weber St., Venice, reported that his home was burglarized last week. A 20-gauge shotgun was taken along with a 19-inch television set. Warren later found the television in the trash can at the rear of the house.

"Over 75 Years of Service"

Legislators are disappointing to manufacturers

The 1979 General Assembly was summarized by the Illinois Manufacturers' Association this week as "disappointing."

In a session-end summary of bills in which manufacturers had a strong interest, the 6,000-member IMA accused the majority of the Assembly of giving only lip service to the business climate problems of Illinois.

The association released individual ratings of each state senator, and representative on the basis of selected bills of great interest to Illinois industry. Sen. Sam Vadalabene scored of a possible 100 "manufacturing jobs quotient." Rep. Everett Steele 75, Rep. Sam Wolf 15 and Rep. Jim McPike, 7.

IMA President Orville Bergren said, "These ratings and the overall climate of the session reveal there are not enough legislators who understand the problems facing industrial employers, and the need of keeping Illinois competitive with other states in the competition for manufacturing jobs."

As a group, legislators representing Chicago had the lowest ratings of any region. On the scale of 100, the 20 senators representing Chicago districts averaged 34 in their ratings, compared with an average of 52 for the entire Senate.

In the House, the 40 representatives from Chicago averaged 29 compared to an average rating of 49 for the whole House, including the Chicago contingent.

Bergren concluded, "This is particularly noteworthy, since the net loss of manufacturing jobs has been the steepest in Chicago, which has lost more than 600 industrial plants since 1973. One would think that Chicago legislators would be more concerned about the business climate problems that have contributed to the job loss."

ARRESTED ON WARRANT

Steven G. Presley, 22, of 2725 Buxton Ave., was arrested in the court room at the City Hall in Granite City at 3 p.m. Monday on a warrant issued by the Illinois Department of Corrections for failure to appear for parole violation. He was released to Madison County sheriff's deputies at 3:40 a.m. Wednesday for transfer to the county jail.

'Goldie' seeks a starting berth

By PETE HAYES
Sports Editor
of the Press-Record

EDWARDSVILLE — The name "Goldie" doesn't conjure up a fearful image in the mind. But there's a player on the Indiana University soccer team nicknamed Goldie who has struck fear in the hearts of many Granite City area prep soccer players. And now he's on his way to trying to do it in the major college ranks.

Mark Goldschmidt, who graduated from Granite City South in 1977, is beginning his sophomore year at national power Indiana University. He has a full-ride (all expenses paid) scholarship for soccer. Since the time he graduated, however, he's

undergone a metamorphosis of sorts.

"The first year was a very big adjustment for me," he said Saturday at Southern Illinois University where I.U. played in the Cougar Classic. "It was the first time I'd ever been away from home. It took some getting used to."

Goldschmidt, who helped lead South to two consecutive state championships as a striker, didn't see much action on the powerful squad the Indiana Hoosiers fielded last season. They made it to the NCAA Division I Finals last season in Tampa before losing in the championship match. But this year, things are different for the guy his GC

South teammates called "Meat (for Meathead)."

"I'm getting to play a lot more this year," he said. "In fact, my whole outlook on my situation is different. Last year, I knew I wasn't going to get into the games, so I sort of slacked off a little. I didn't look forward to going to practice."

This season, Goldschmidt can't wait to get to practice.

"We're off to a good start this year (6-1) and we're working hard together. I haven't scored yet, but I'm getting hungry. I will."

Goldschmidt said the size of the school wasn't the only problem he had to adjust to when he first got to I.U. "I had to get used to playing with a new set of teammates," he said. "The guys I played with in high school

were the same ones I had played with since I was a little kid."

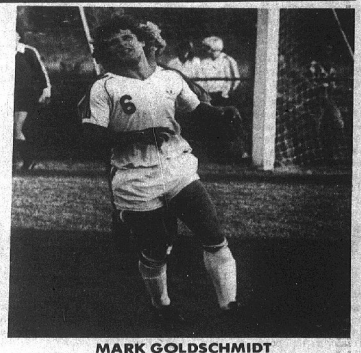

The Indiana coach, Jerry Yeagley, has helped in the learning process, according to Goldschmidt. "The coach is great. The whole staff is," he said.

Goldschmidt said the main difference in the way Yeagley coaches as opposed to Gene Baker, his high

school coach, is defense. "Everything here is built around defense," he said. "Of course, Coach Baker stressed defense too. But the whole system at South wasn't built around it."

How does Goldschmidt evaluate his chances of earning a starting berth before the end of the current season? "I think I'll be

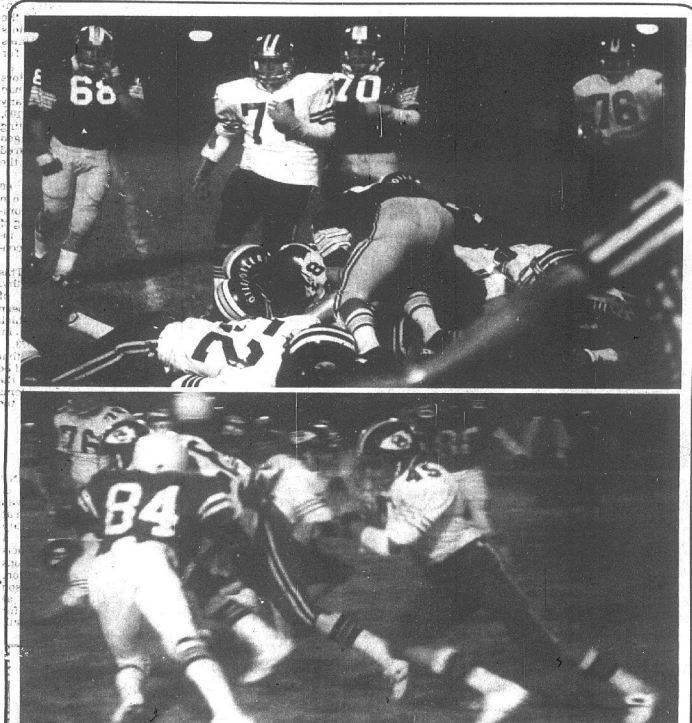

(Continued on Page 10)

MARK GOLDSCHMIDT

Defenses highlight GC victories

Surprise!

FOOTBALL ACTION Friday night involved both Granite City prep teams as well as Madison. **TOP:** A pileup along the sidelines in Wood River gives Granite City North possession of the ball deep in Oiler territory during their 28-2

win. **BOTTOM:** South's Mark Marsh (45) gives teammate Joe Berghader (28) a helping hand as he gets set to block Cahokia's Allen Butler during the Warriors' 37-0 victory at Cahokia.

South finds itself twice, North kickers undefeated

BELLEVILLE — After having scored frustratingly few goals in recent games, Granite City South's soccer Warriors scored a pair of impressive wins over the weekend, while Granite City North met a serious challenge to its place among the ranks of the undefeated.

Friday, the Warriors beat Gibault Waterloo 7-0 then followed with a 5-0 win over Belleville East Saturday.

While South romped over Gibault, North was engaged with McCluer North, who played the Steelers closer than the 4-2 final score indicated.

SOUTH'S first goal was scored 34 minutes into the game when Rich Moore took a pass from Jack Burnette 10 yards from the East goal and put the shot in near the left post.

Two minutes later, Craig Kessler gave South a 2-0 lead with an unassisted goal from near the same spot as Moore.

Two minutes and 15 seconds after that Burnette scored on a penalty kick awarded him because East keeper Steve Korte was called for pushing in front of the goal. Burnette's shot went in over Korte's left shoulder.

NORTH 4, MCCLUER NORTH 2

Granite North controlled the first half completely. Mark Jones had scored at 27:19 on an assist from Bob Batey to give the Steelers a 1-0 lead.

McCluer Robertson added goals numbers two and three at 32:52, then again at 33:24 to give the Steelers a 3-0 half-time lead.

But between the time the first half ended and the second half began, something happened to the Steelers. "It was partially my fault," Steeler coach Bob Kehoe said. "During half-time I told them I think your playing as well as I've seen you play all year. I don't see any reason to change your game." They came out thinking they had the game won.

But the McCluer team, playing a wide open, frantic-paced game, burst the Steeler's bubble with a goal by Rich LaBrode from a pass from Charles Hodges at 21:56.

The chatter on the McCluer bench increased, but it was changed in its tone. Instead of laughing at defeat, the McCluer players sensed now a chance to get back into the game.

That mood was enhanced less than 10 minutes later when Joe Mullins broke loose from the pressing Steeler defense and beat Steeler goalie Tracy Hickam in a one-on-one situation.

"It kind of snapped our heads back," Kehoe said. "After that we couldn't quite get the handle back. We came a little unglued. But we finally got it back together."

What brought the Steelers back together, and silenced the noisy McCluer bench was Mike Robertson's third goal of the game.

At the 46:50 mark of the second half, Robertson found himself in the McCluer backfield with the ball and two McCluer defenders.

He muscled his way past the defense, and bore down on McCluer's keeper, Scott Graham. Graham came out of the goal to cut down the angle, but Robertson, with quick fake, left the keeper down behind him and put the ball in the open net.

SOUTH 7, GIBAULT WATERLOO 0

Granite City South began its scoring rebirth Friday with a 7-0 trouncing of Gibault Waterloo.

Three first period goals put South ahead comfortably. At 4:30, Paz scored. At 5:38 it was Kessler scoring. At 7:36 Randy DeKousse scored.

Quick-kick helps spur South over Cahokia 37-0

By PETE HAYES
Sports Editor
of the Press-Record

CAHOKIA — Granite City South football coach Stan Wojcik took an old play out of moth balls here Friday night and it paid off. So much so, in fact, that it helped spur South to a 37-0 trouncing of Cahokia 15. That, as they say, was the "turning point."

On the very next play, Warrior Bruce Monahan recovered a fumble by Cahokia's Kenny Crow. It was the last play of the first quarter.

Several plays later,

Oomph!

By KEVIN ALLEN
of the Press-Record

WOOD RIVER — It wasn't exciting, or dramatic, or crucial. Considering the Granite City North football team's fast start this season, it's 28-2 win over Wood River, Friday night wasn't even that surprising.

It was a well-balanced, smoothly executed example of why the undefeated Steelers are rapidly becoming a team with a bright future.

Although Wood River's Oilers didn't provide the Steelers with the stiffest competition they're likely to face this year — the Oilers have yet to score an offensive touch down in their first three games — the Steelers nevertheless displayed steadfast defense and a potent offense.

The fact is, North has shown an ability to blend these aspects of its games well in each of its three games this season.

Friday though, the Steelers seemed especially sharp, like a new machine just broken in.

"It was a good effort," North head coach Tom Wyrostek said. "We did some things we didn't want to, but overall we played well."

Defensively, the Steelers allowed the Oilers only one sustained drive. Ironically, or perhaps fittingly, that drive ended with an interception by North's Mike Steen on the Steeler eight-yard line.

The Oilers scored their only two points of the game when the Steelers took over possession. After an off-side penalty put North on the five-yard line, the ball was fumbled into the Steelers end zone.

back Tim Phelps quickly kicked the football from his own 38 yard line to the Cahokia 15. That, as they say, was the "turning point."

fullback Scott Polson slammed the ball over from a half-yard out for South's first touchdown.

"We just put it (the quick-kick) into our play book this past week," said Wojcik. "It seemed like the perfect time to use it. He got off a good kick and we got the roll. The fumble didn't hurt either."

"They (Cahokia) were

moving the ball well on us in that first series," said Wojcik. "But the penalty on them gave us a chance to make some adjustments. We did and that was what it took."

The adjustments, according to Wojcik were simple, very basic ones. Instead of missing tackles,

(Continued on Page 11)

North takes Oilers 28-2 to remain undefeated

zone. North's Pat Mushill fell on the ball, Wood River's Brock Yarnell fell on Mushill, and the Oilers scored a safety.

Other than that, Wood River operated mainly in its own end of the field. The Steeler defense was especially strong against Wood River's passing game. The Oilers managed only one completion for five yards.

But North's offense was efficient too. Aside from the safety, the Steelers failed to score only three times after they gained possession. Once the ball went over on downs, and twice they punted.

Four other North possessions led to touchdowns. Starting with its first scoring drive mid-way through the first period, North seemed almost

automatic in its ability to roll down the field.

An 11-yard pass play from Tim Dudley to Richard Bues followed by Kevin Buchanan's eight-yard run set up a seven yard pass to Roger Bowler for North's first touch down with 4:15 left in the first quarter.

Early in the second quarter, it was Buchanan's

Madison is ripped 62-0

PERRYVILLE, Mo. — The Madison Trojans keep coming back, you have to hand it to them.

After beatings of 61-8 and 52-0 already in the record books, the Trojans traveled to Perryville Friday night and came limping home with a 62-0 trouncing at the hands of St. Vincent High School, the latest addition.

Madison coach Charles Steptoe, still seeking his first victory as a head coach, laid it on the line with a not-so-earth-shattering statement. "We're not playing good football," he said. "There really isn't any other excuse. We're a young team, experience-wise. But the guys want to win. They like football. But on defense, some of the players look

confused as to where they're supposed to be and what they're supposed to be doing."

St. Vincent High scored 21 points in the first quarter, 28 in the second and six each in the third and fourth. With his team behind 49-0 at halftime, what did Steptoe say to the Trojans? "It really wasn't a screaming a hollering session," he said. "They don't need that when they're down that bad. We just tried to show them what they were doing wrong on defense and how to correct it. There's not a whole lot you can say otherwise."

Surprisingly, the morale on the Madison team isn't as low as one might expect. "They're a young group," said Steptoe. "They don't really have that much experience, even though there are 11 seniors on the team. None of the ones on the team were first-stringers last season. The only one back is Ed Burns. But he's out with

after having knee surgery." There was a bright spot for the Trojans on offense — the running of Troy Butler. He got of several long gains, including one of 35 yard and one of 25. "There were a couple of plays where one block would have sprung him for a touchdown. I know it doesn't sound like a lot, but it does give us something to work with."

The problem for Madison isn't size, according to Steptoe — it's quickness and speed. "We've got some big boys on the team," he said. "Guys that stand 6-4 and 6-5 and weigh 230 pounds or so. With size like that, they could play in the pros. But some don't yet know how to use it."

There is hope for Madison down the road. Of the 35 players on the team, only seven are junior, meaning many will be back for at least two more years.

Friday, Dan Stearns started at quarterback for the Trojans and gave way to Robert Johnson, who handled the QB chores the rest of the game.

Next in line for Madison is a game against quad County Columbia next Saturday in the Trojans' home-opener at 1 p.m. "We know Columbia is an improved team," said Steptoe. "They're better than they were last year." That could be bad news for Madison. Columbia beat last year's Trojan team.

Goldschmidt chats with his former teammates from Granite City South, David Fernandez, Jack Burnett, Phil Beljanski and Greg White following Indiana's game against Rockhurst Saturday night.

(Press-Record photo by Ed Schmitt)

West golfers winners

EDWARDSVILLE — The Belleville West golf team came away with the top prize here Saturday in the Edwardsville Invitational Tournament held at Oak Brook Country Club.

Granite City North finished in 12th place and Granite City South tied with Jerseyville for 9th in the strong 17-team field.

West finished with a low total of 377 strokes on the course. Red Bud surprised

defending small school state champion Carmi Bulldogs by edging them for second place, 393-394. North's total was 430. South and Jerseyville had 434 each.

West's Jerry Haas, brother of professional golfer Jay Haas, was the meet's medalist with a 67, tying the meet record set by Jim Hodapp in 1976. He shot a 31 on the front nine holes and a 36 on the back nine.

The lowest finisher for a

Granite City school was Chris Andrews of North who shot a 78. Paul Eads of North and Larry Holder of South each shot an 81. Greg Mulach and Paul Zimmer of South each had an 83.

Other Granite City scores were: Jerry Coyle and Paul Mioller of North 86, Todd Burns of South 83, Rob Fyalka of North 99 and South's Craig Paine 103. Carmi was the defending tournament champion.

South spikers are hopeful about '79

GRANITE CITY — The Granite City South girls volleyball team is improved, according to head coach Wilma Schulze, and anxiously waiting the start of its season Tuesday night at home against Cahokia.

"South, which finished last season with a 4-12 mark, lost four starters from last year's team because of graduation. But three returning starters have Schulze optimistic. "We've got Karen Macios, Susan Jeffries and Chris Boyd back," she said. "Macios is a senior and the other two are juniors."

According to Schulze, the team is one of the more closely-knit ones she's had at South. "Volleyball is a team

sport more than any other I know of," she said. "For that reason, it's good to have a group that gets along well on and off the court. We seem to be one complete unit out there."

There are two basic aspects to the offensive attack in volleyball — the setter and the hitter. According to Schulze, she's got talent at both spots this season. "We've got about four real good hitters," she said. "Macios, Boyd, Jeffries and Julie DeFuntz. We've got two good setters in Karen Spencer and Nita Graham."

The setter pops the ball high in the air, where it waits for a hitter to try and smash

it down into the opposing team's court. South and Granite City North are starting their seasons several weeks after most other area schools have already begun. That bothers Schulze. "We're at a disadvantage many times," she said, "because of teams having more actual game experience than us."

Schulze said her team has looked good in practice. "I think we've looked real well," she said. "Most of our time in practice is spent with game-type drills."

"But since I'm the only coach, I have to spend most of my time with the younger girls. The varsity girls do help in teaching the fundamentals though."

'Goldie'

(Continued from page 9)

starting before this year's season. Last year, I was burned out ... this year I think I should start."

Breaking into the starting

lineup on the Hoosiers' squad is like breaking into the starting lineup of a St. Louis all-star team. Over half of the I.U. squad is made up of St. Louisans.

"My roommate is Jeff Sendobry from C.B.C. in St.

Louis," said Goldschmidt. "He just got back from playing in the World University Games. He's a senior, so he's one less guy I have to worry about next season."

In fact, eight of the Hoosier starters are seniors, giving Goldschmidt hope for the next two seasons. "Even though we'll be losing eight guys, it won't be easy. Nothing will be handed out. I'll have to earn a spot."

Emphasizing the quality of the Indiana soccer program, Goldschmidt pointed out that of the three seniors who graduated last season, all three are now playing professional soccer.

"It's a credit to the program," said Goldschmidt. He then pointed to an unimposing bearded figure sitting on the Hoosiers' bench. "See that guy over there? That's Angelo DeBernardo. He plays for the Los Angeles Aztecs, the Olympic team and the World Cup team. That's not bad."

What about going pro himself? "If I were to get drafted, I'd go for sure," said Goldschmidt. "But that's a long way off."

Goldschmidt said the city of Bloomington, Ind., where the I.U. campus is located, is going through the same thing. Granite City did many years ago. "The place is going nuts

over soccer," he said. "We (the team) hold clinics different times during year for the kids. We can barely get enough players to go around as instructors, there are so many."

Indiana's soccer team plays its home games in Memorial Stadium, home of the I.U. football team. The seating capacity is around 50,000 and the field is made of Astro-Turf. According to Goldschmidt, a new smaller grass field is being constructed for the soccer team. That suits him. "I'd rather play on a grass field," he said. "I guess I'm more used to it."

As a youngster, Goldschmidt dreamed of playing soccer for St. Louis University, where his older brother Don played. "That was what I always wanted," he said. "But when I talked to Coach Yeagley and visited the campus, I'd made my decision. The full ride didn't hurt either."

Goldschmidt isn't using his full-ride scholarship for your basic knitting or music appreciation major. He's a chemistry major and wants to eventually become a chemical engineer.

Between classes, practice and road trips, does Goldschmidt find much time for a social life? "Oh yeah," he said with a grin. "There are 25,000 students at I.U. There's always plenty to do."

Jones wins sportsman title

By JEFF EAVES

For the Press-Record

GRANITE CITY — Rob Jones of Creve Coeur, Mo., won the 25-lap sportsman season championship feature at the Tri-City Speedway Saturday night.

Jones, who has been dominating sportsman stock car racing all year long, overtook his fifth win a row and his eleventh win of the year after starting on the front row inside.

His race was followed by Don Holt of Vandalia, Mo., Rod Bailey of Granite City, Paul Humphrey Sr. of Dupu, Ill., Mike Perlow of Troy, Mo., and Bill Ried of St. Charles, Mo.

Charlie Davis of High Ridge, Mo., won the first heat over Mike Johns of Granite City, Gary Landolt of E. Alton, Ill. and Pat Estes of St. John, Mo. Paul Humphrey Jr. of Granite City won the second heat over Odie Hayes of Collinsville, Ill., Mel Perkins of Granite City and Mike Marshall of Maryland Heights, Mo. Rob Jones won the third heat over Mike Perlow, Rod Bailey and Mike Nikonovich of Granite City. A total of 26 cars were on hand.

In the sprint car division, Larry Gates of Evansville, Ind., was involved in a 6-car pileup on the first lap of the 20-lap feature and Gates could not win his sixth feature of the year.

A red flag was waved on the first lap involving 6-car pileup in turn two. Bill Baker of Mexico, Mo., lost control of his car and flipped end over end and over the outside guardrail. Baker was taken to St. Elizabeth Medical Center in Granite City complaining of a back injury. Also in the same accident, Cliff Cockrum of Benton, Ill., flipped his car too and

landed on the top of Larry Gates car. Both drivers were OK.

On the restart Tom Corbin of Carrollton, Mo. took the lead from his outside front row and went on to win his first feature of the year.

Corbin who didn't have any trouble in the win was followed by Dean Shirley of Mideton, Ill., Chet Johnson of Dennison, Ill., Larry Goad of Evansville, Ind., Tony Robertson of Shelbyville, Ill., Russ Racine of Evansville, Ind., Manny Rockhold of Pekin, Ill., and Terry Smith of Kansas City, Mo.

Bill Baker won the first heat over Tony Robertson, Tom Corbin and Russ Racine. The second sprint heat was won by Cliff Cockrum, Russ Racine and Tony Robertson. A total of 21 cars were on hand.

This was the last sprint race on a weekly basis at Tri-City this year. The next sprint race will be the World of Outlaws on Wednesday, Oct. 17. Steve Kinser of Bloomington, Ind., is still the point leader and will be on hand in the WOO race.

In the late model division the special Big Chevrolet sponsored race was held for the top 10 drivers in the point standings. Big 4 put up a \$2,500 purse and \$1,000 to win the 20-lap feature. Dick Taylor of Springfield, Ill., took the lead from the start until lap 8 when late model point leader Mike Wallace of Arnold, Mo., passed him and went on to win his fifth feature of the year.

Wallace was followed by Dick Taylor, Joe Ross of Mechanicsburg, Mo., C. C. Corbin of E. Alton, Ill., Gary Potter of St. Charles, Mo.,

Len Gittermeier of St. Charles, Mo., and Bobby Regot also of St. Charles.

In the regular 20-lap feature the red flag was waved on the first lap as there was a 4-car pileup. On the restart Terry Sloan of DeSoto, Mo., and Gary Gerstner of Breese, Ill., tangled on the front straight away causing the yellow flag to come out.

On the restart Kevin Gundaker of St. Louis, Mo., took the lead and held on to win the 20-lap feature and his record win of the year. Gundaker was followed by Mike Wallace, Joe Ross, C. Corbin, Dick Taylor, Gary Potter, Terry Sloan and Bob Smith of Jefferson City, Mo.

In the first heat Rusty Wallace was the winner and he was followed by Mike

Wallace, Ron Fisher of Centralia, Ill., and Butch Garner of Decatur, Ill. Gary Potter won the record heat over Kenny Shrum of St. Charles, Mo., Len Gittermeier and Jack Werner of St. Louis, Mo.

Kevin Gundaker won the third heat over C. C. Corbin, Joe Ross, and Dick Taylor.

The semi-feature was won by Terry Sloan over Bill Laycock of Granite City, John Seets of Godfrey, Ill., and John Tidwell of Collinsville, Ill.

This Saturday night the 35-lap late model feature will be featured along with the sportsman cars.

On Saturday, Oct. 14 the IMCA midweeks will compete on the half-mile and on Oct. 17 the World of Outlaws will compete with wings on the half-mile track.

DON EBERT (in white) of SIU-E goes airborne Saturday night in the Cougars' 5-0 win over North Texas State. Ebert scored three goals.

Cougars second in own soccer classic

EDWARDSVILLE — The Rockhurst College Hawks of Kansas City were supposed to be the weak sister of the four-team card in the first annual Cougar Soccer Classic over the past weekend. In addition to the host Cougars, there was the powerful Hosiers of Indiana U., and the Mean Green of North Texas State U. So, what happened?

Rockhurst threw a scare into both the Cougars and the Hosiers before losing in close, hard-battled games. In Friday night's games, under the new lights at Cougar Field, Indiana U. romped to a 6-0 victory over North Texas State, and the Cougars needed 108:40 minutes to capture a 1-0 nail-biter from Rockhurst.

Then, Saturday night, the Cougars had to settle for second place in the trophies, being edged by Indiana, 8-6, on goals scored margins.

SIUE will host a new, but strong University of Evansville soccer team this Friday at Cougar Field at 7:30 p.m. The Purple Aces, laced with many St. Louis area prep players, played recently on even grounds with St. Louis U. before losing 3-1.

Orphans win

EDWARDSVILLE — The Centralia Orphan cross country team continued its dominance of area foes here Saturday by winning the Edwardsville Invitational at SIU-Edwardsville.

Granite City South finished eighth and Granite City

Madison kickers fall

MADISON — Signs of improvement are readily being demonstrated by Gene Briggs' Trojan kickers. Although Madison lost their last two games, they are looking and playing much better than they were at the beginning of the season.

Saturday, Madison jumped to a 1-0 lead before finally being downed 3-1 by the Greyhounds of Lebanon and Tuesday, they bowed to O'Fallon 7-0.

Near the 10-minute mark of the Lebanon game, Madison was awarded a direct penalty kick. Dave Mooshagian took the kick from about 18 yards out. He chipped the ball over the wall of defenders and into the upper right-hand corner of the net. Lebanon's keeper just eyed the ball all the way into the net and didn't even make an effort to block the well-executed shot.

The Trojans kept their lead until halfway through the second 20-minute period. Greg Mann kicked the ball toward the Madison goal.

The ball ricocheted off the post and fell into the goal. Mann was assisted by Shelby Brooks. At halftime, the game was tied at one all.

Control of the third quarter was shared by both squads. Few shots were taken and the score remained the same.

However, the final stanza of the contest left Lebanon smiling as they earned two goals giving them a 3-1 victory. Tom Lawson, then Mann scored for Lebanon in the fourth. Madison took several good, hard shots on goal, but all were either blocked or went wide.

"I think we played a good game," said Briggs. "We're still in a learning process. We learn as we play. We're really improving as a team."

Tigers get 1st

BELLEVILLE — The Belleville Althoff Crusaders made up a little ground here Saturday night, dropping a 33-4 decision last week to Belleville West, the Crusaders whipped Centralia 27-0 in a non-conference game.

"Althoff led at halftime 13-0 and was never threatened. It will get back into the Gateway East Conference race next Saturday when it hosts Granite City South. Elsewhere in game involving Gateway East teams, Edwardsville destroyed Quincy Notre

Dame, Granite City South beat Cahokia 37-0 and Northdown Wood River 28-2. Against Centralia, Althoff outgained the Orphans 293-132 and scored touchdowns in each quarter.

In its game on the road against Quincy Notre Dame, Edwardsville got its first win of the season. The Tigers led only 10-7 at halftime but reeled off 14 points in the third quarter and seven more in the fourth, while the defense got stingy on the Raiders.

Earlier this season, Quincy Notre Dame walloped Madison 61-0.

Surprise!

(Continued from page 9)

the Warriors started making them.

"We told the team that they either start tackling or they'd sit on the bench," he said.

"The main culprit on the Cahokia side of the line in that early series of downs was running back Wilbur Washington. He carried the ball the first four plays the Comanches ran and picked up 46 yards, mainly on the right side of the South line. But a holding penalty set them back and stopped the only real threat they would mount all evening.

"We moved the ball real well early in the game," said Cahokia coach Jim McKay. "That holding penalty killed us. But we ended up killing ourselves all night anyway."

On South's second touchdown drive of the game, late in the second quarter, Cahokia committed two offside infractions that gave the Warriors first downs, the second on the Comanche's 3-yard line. The next play, South's Jeff Berbrader scooted over right tackle for a touchdown. John Vreniek's PAT kick made the score 14-0.

Berbrader was to become the best offensive weapon the Warriors had. On the opening series of the third quarter, he got off four long gains in leading South from its own five yard line to the Cahokia end zone, with Poision going up the middle with 6:55 remaining in the period untouched for a touchdown and a 21-0 lead.

"Jeff (Berbrader) ran the ball extremely well tonight," said Wojcik. "The whole team did. In fact, I'm changing my philosophy. I'm not going to pass at all unless we have to. We know we can, but why do it when we don't have to?"

In the fourth quarter, South added to its lead. After taking over on downs at the Cahokia 30, Ambuehl ran an option-play around left end on first down for a touch-

down. "It's good to have a quarterback like Ambuehl who can run or pass," said Wojcik. "With him back there, it's like having another running back."

On Cahokia's next series after the kickoff, the Comanche center, John Gischer, snapped the ball over the punter's head out of the end zone — a two-point safety for South, making the score 30-0.

With Berbrader and Company doing most of the damage, South drove for its final touchdown. Junior fullback Mike Medina ran the ball over from the 1-yard line with 3:19 remaining.

Ooomph!

(Continued from page 9)

17 yard run from an option play around the right end that gave the Steelers a 14-0 lead.

Facing a fourth-and-nine situation late in the same quarter, a 14-yard pass from Dudley to Steen kept alive a drive that eventually culminated in a six-yard off-tackle run by Dudley. The score was 21-0 at the half.

It took six minutes of the second half for the Steelers to add the fourth and final touchdown of the night. This one was a 19-yard pass from Dudley to Bowler, giving North a 28-0 lead.

The fourth period was left for the Steeler bench to gain some on-the-field training. Seeing his team win its third straight, Wyrostek savors his success. "Going 0 and 10 last year and seeing practically the same group come out and do well this year says a lot for these kids," Wyrostek said. "I still get sick before every game just like I did when I was playing. The only difference between coaching and playing is you can't get on the field and contribute. Winning though, it is just as gratifying as a coach as it was as a player."

From Illini Federal: A TOUCH OF SPRING FOR YOUR TABLE... THIS FALL!

Start with a FREE place setting of fine china.

Deposit \$200 to a new or existing Illini Federal account and get a 3-piece setting (dinner plate, cup, saucer) free. Choose either the delicate pattern of Spring Blossom or the lovely, white on white Lace Bouquet.

Deposit \$1,000 or more, get a free place setting or buy a 61-piece set (service for eight) for only \$144.50. With a \$5,000 or more deposit get a free place setting or buy the set for only \$109.50.

Then, with additional \$25 deposits you can purchase additional items at low cost. (See the chart.)

RHONDA MARIE CARMONA, a member of the Mexican-American Folk Dancing Group of Metro East. She has been chosen by the International Folklore Federation to represent Mexico in Saturday's Veiled Prophet Parade in St. Louis.

To represent Mexico

Rhonda Marie Carmona, a junior at Collinsville High School, will represent the nation of Mexico in the Veiled Prophet Parade, scheduled Saturday in St. Louis.

She is a member of the Mexican-American Folk Dancing Group of Metro-East and was chosen through the International Folklore Federation as a national

representative. Other young women will depict various nationalities in the traditional parade.

Several families from the Quad-Cities are involved in the federation's activities.

Miss Carmona, 16, is the daughter of Mrs. Liz Carmona Setser and the late Rudolph J. Carmona.

The family now resides at 235 N. Combs in Collinsville.

GC daytime classes boost BAC enrollment

Belleville Area College President William R. Keel says the college is up approximately 6 to 7 percent in both head count and credit hours from the fall semester of last year.

The president attributed much of the increase to the opening of a new daytime extension center at Granite City. Students have enrolled

for more than 1,100 credit hours at that location this fall.

Total credit hours each semester at Belleville Area College normally exceed 70,000. Using the formula of 15 credit hours per full time student, the figure comes to about 5,000 full-time students. Or 73 here, however, fewer than 3,000 students carry a full course load at the college.

For the past three semesters, the college has experienced a head count enrollment of more than 10,000 students.

Granite Chapter honors its past matrons, patrons

The Eastern Star Granite Chapter met to honor past matrons and past patrons. Donna Kagy, worthy matron, and Joe Bilbrey, worthy patron, presided.

Guest officers for the evening were all past matrons and past patrons of Granite Chapter. They were as follows: Dorothy Watkins, worthy matron; Bill Watkins, worthy patron; Arline Fox, associate matron; Charles Youngs, associate patron; Mary Ellen Lewis, secretary; Blanche Leuchter, treasurer; Virginia John, conductress; Betty Ebrecht, associate conductress; Hannah Klein-schmidt, chaplain; Dorothy Brokaw, marshal; Hulda Griffith, organist; Sadie Jones, Adah; Bess Henley, Ruth; Ida Curtis, Esther; Karmyn Edmonds, Martha; Mary Bilbrey, Electa; Rachel Larsen, warder; Betty McClinck, sentinel.

Grand lecturers present were Hazel Wood, Arline Fox, Mary Bilbrey and Betty McClinck, all of Granite Chapter.

Past Grand Martha of 1942 Bess Henley and Past Grand Electa of 1977 Betty McClinck were introduced.

Surprise guest of honor Betty Ebrecht was presented a flower, welcomed by the worthy matron, and thanked for her service to the chapter.

Surprise guest in the East, Wendell Gritz, was escorted to the East and thanked for all his help and for being sentinel for this year.

Board members and members of Grand Chapter committees were introduced.

Past Patron Russell Gansmann of Crown Chapter 535 was welcomed. He is the father of Worthy Matron Donna Kagy. She thanked him for his help to make her year a special one.

Past matrons and past patrons of Granite Chapter were presented gifts from the chapter and from the worthy matron and worthy patron. Donna Kagy read a poem, "Give Lavishly, Live Abundantly," to them. Their years of dedication and service to their chapter were noted.

Evelyn Gansmann, mother of the worthy matron and a member of Crown Chapter 535, was introduced and thanked for her handicraft work and other help. Protem officers Hazel Wood and Jimmy Fox were thanked, as was Jo, Anne Noe, the latter for making an afghan for the chapter.

Blanche Lane gave a "sunshine report" on cards sent for the month. A memorial service was held for two deceased members, Katherine Richardson and Geraldine Walker. Sympathy was extended to the family of Jewel Stone, whose husband passed away.

Greetings were read from Dorothy Fitzpatrick of Orlando, Fla., a past matron of Granite Chapter.

Dorothy Watkins, guest worthy matron, presented a story that involved chapter membership names. She then presented a Raggedy Ann and Andy plaque to the worthy matron.

The dining room was decorated with the theme of Raggedy Ann and Andy. Large dolls were used for centerpieces on the tables and every member received a marshmallow Raggedy Ann doll as a favor.

Committee members for the evening were Betty McClinck, Mary Hoover, Bonnie and Jerry Fisher, Edna Brown, Betty Keiso, Jo Ann Noe, Judy Staggs, Wanda Bartling, Betty Gritz, Lloyd Lewis and Wendell Gritz.

Republican women hear speaker from Illinois Power

The Granite City Republican Women's Club met last week at Bill Burns Cafeteria for dinner and a business meeting. The meeting was called to order by President Louise Dutko, who turned the meeting over to Program Chairman, Brenda Reese.

William G. Badger, representative of Illinois Power Company, He showed slides of electricity and gas uses and spoke on the theme "Using it wisely is everyone's business." He also answered questions from the audience about energy uses.

After the program, President Dutko lead in pledge of allegiance and held a short business meeting. Gladys Pape reported on correspondence and gave a report of previous meetings. Eva Meier reported on finances. Announcements were of a lecture by Mrs. George Bush on "Years of China" and the Madison County Federation of Republican Club's dinner dance on Sept. 30 at the American Legion Hall in Edwardsville. Eleanor Schulte of Edwardsville, county chairwoman, was introduced.

General discussion of other coming events by various members was held. The next meeting will be held at Bill Burns Cafeteria on Tuesday, Oct. 2, with a dinner at 6 p.m. and meeting at 7 p.m.

Miss Ella Ray Smith presented a national defense topic which emphasized reasons why the SALT II treaty should not be ratified. She also encouraged members to contact Governor James Thompson to urge him to sign a bill making it mandatory for the pledge of allegiance to the flag to be said daily in all classrooms.

A committee was named by Mrs. Schoen to draw up a resolution to be submitted to the state organization, to provide for a lifetime membership fee for those so interested. At present, there are no lifetime memberships available.

Due to illness, Carl Baldwin, author of Echoes of Their Voices, was unable to speak to the group. Mrs. McCarty and Mrs. Barbara Williams jointly presented

DAUGHTERS OF AMERICAN REVOLUTION honor Miss Nelle Hart (left). With her is Mrs. Emma Schoen, regent.

DAR honors Miss Hart

Drusilla Andrews Chapter of the DAR met at the Burns Cafeteria for its first meeting of the new year. Miss Nelle Hart was awarded special honors by the group for her service for 40 years in the local chapter.

Mrs. Emma Schoen, regent, presented her with a silk orchid corsage. Miss Hart has served in nearly every capacity of the chapter, from regent on down.

Currently, she is the historian-librarian and is the chairman of the Mottisford Picture, Television and Radio Committee.

Mrs. Schoen led opening ceremonies and the pledge of allegiance to the flag and Mrs. Ruth McCarty read the president general's message.

Miss Ella Ray Smith presented a national defense topic which emphasized reasons why the SALT II treaty should not be ratified. She also encouraged members to contact Governor James Thompson to urge him to sign a bill making it mandatory for the pledge of allegiance to the flag to be said daily in all classrooms.

A committee was named by Mrs. Schoen to draw up a resolution to be submitted to the state organization, to provide for a lifetime membership fee for those so interested. At present, there are no lifetime memberships available.

Due to illness, Carl Baldwin, author of Echoes of Their Voices, was unable to speak to the group. Mrs. McCarty and Mrs. Barbara Williams jointly presented

excerpts from the book. At the beginning of the book, Baldwin suggests and illustrates a walking tour of Cahokia. Mrs. McCarty went to Cahokia and made slides pictures as she made the tour.

Her slide presentation set the scene and tone for the book. She said that she had reared her three children in Granite City but had never taken them to Cahokia to see reminders of the early history of the area.

Mrs. Williams selected several families mentioned in the book and told of their successes and troubles as they settled this area.

One family was the Ogle family, from which Miss Hart traces some of her ancestors.

Another family was the Tschudi family (Americanized and now spelled Judy), from which Mrs. Schoen is descended. The story of Drusilla Andrews, for whom the DAR chapter is named, was also a topic chosen. The Whiteside family, with many settlements in the surrounding area, was discussed.

In closing, Mrs. Williams continued a quotation from the book, which Baldwin had selected from the July 1803 issue of the Missouri Gazette.

As a toast at a Fourth of July celebration in 1808, this was said: "The Constitution of the United States, our great intransigent; but useless, if we do not defend it." It was cited as a fitting quotation for the chapter's celebration of Constitution Week, Sept. 17-23.

Charity Circle discussed bazaar

The annual bazaar will be held Nov. 16. Mrs. Joan Mucho has invited the circle to her home for the bazaar. Refreshments were served to Mesdames Mary Rouland, Eula Davis, Karan Ambuehl, Eulores Vogeler, Joan Mucho, Phyllis Bills, Jean Wallace, a guest, and Mable Gertsch and co-hostesses Mrs. Elizabeth Briggs and Mrs. Mary Piper.

Mrs. Dorothy Luckert, district vice-president of the United Methodist Women, was guest speaker at the general meeting Sept. 13 in Wesley Hall at Niedringhaus Church, her topic was "What Is United Methodist Women?" The Patience and for the evening.

Mrs. Maxine Hacke, Christian personhood representative, also spoke on "Emphasis."

TAKES NEW JOB Miss Lori Houser, a former teacher in the Granite City School District, has taken a position with Martin Marietta, an aerospace firm located in Denver, Colo. She is employed in the contracts division as an assistant analyst. She is the daughter of Mr. and Mrs. William (Ruth) Houser.

GRANITE CITY (III.) PRESS-RECORD, Monday, Sept. 24, 1979—13

Service club plans workshops

Christmas bazaar workshops were planned by the Granite City Junior Service club at its meeting last week.

A Junior Service Federation is planned for Oct. 20, Secretary Brenda

Weekman read a report.

Tickets for the bazaar and card party set for Oct. 18 were distributed to members for sale.

Those present were Rose Ann Bates, Wilma Eddington, Linda Gordon, Jo

Ella Harris, Donna McBride, Gale McFarland, Gail Miosky, Karen Niebur, Betty Nighossian, Donna Palovic, Sarah Repp, Donna Price, Pam Reed, Sue Riess, Donna Sprankle, Joan Wachter, Janet Warren, Brenda Weckman, Linda Badger and Jeanna Vrenick.

Food service course in GC

Home Economist Cathy Reibold will teach a course in food service sanitation in the Granite City-Belleview Area College evening extension if enough students are interested.

The course would begin Oct. 22 and continue for eight Monday evenings from 7 o'clock to 9:45 at Granite City High School South. Tuition for the class is \$21.

The course is designed to prepare food service workers to take the exam given by the state for certification in food service sanitation. Those interested in taking the course are to call Dorothy Anderson at 876-7570 before Oct. 10 so that plans for the course can be completed.

Douglas clarifies position

Granite City First Ward Alderman Charles Douglas said Thursday that comments made by Seventh Ward Alderman Paul Ray Bowler at last week's Granite City Council meeting have been erroneously attributed to him.

Bowler questioned how a Manpower employee in the fire department could be considered for a full-time city-paid position on the fire department when he failed his physical examination for the police department.

Douglas also disagreed with reports he feels that it is illegal for one governmental

body, such as Granite City Township, to give revenue sharing funds to another unit of government, such as the school district. Douglas contends it is legal to share grant funds, but only under certain situations specified by law.

He contends a \$50,000 grant from the township to the school district for lights at the soccer and baseball complex on Fehling Road is illegal, since there are no assurances the revenue sharing money will provide recreational opportunities for all the citizens of the township and since the school district has not agreed to give the grant reciprocal favor for the grant.

REINHARDT—Realtor
Sells—BETTER LIVING

The Lighter Side

By CATHEY JAMISON
Press-Record Feature Editor

Why all the fuss about nature?

Here I sit, bruised and lacerated, wondering if I am truly out of my mind. I have just returned from a walk in the woods and I have learned not to fool with Mother Nature.

A walk through a wooded hillside is supposed to put one in tune with the natural things in life. Somehow I fail to see why skunks and snakes and polar bears have to be a part of nature.

I decided to take my little hike after hearing so much about the trails from various people. Being raised in Detroit, I had never seen more than two trees in any one spot.

City folks are more civilized than country nature lovers. Detroit declared a war on trees and created a long time ago. Never did I walk in the Motor City and run into a skunk; a few pigeons maybe, but never a skunk.

We civilized Detroiters much prefer the smell of

River Rouge, where the mighty automobile is king. Critters just aren't seen there, with the exception of a few million rats.

As I walked through those woods, the first thing I noticed was my inability to breathe. My lungs being unaccustomed to clean, fresh air, I found myself coughing and gagging on the great rush of non-polluted air.

I glanced skyward. Thousands of UFOs assaulted my eyeballs. All my life I thought there were only two stars up there. I'm not sure I can handle what I saw in the sky, kind of made me feel insignificant.

City folks were right to block them out. Imagine all of the identity problems they would have if they could see those spots of light and realized that my education had been sorely neglected.

I walked along a wooded path, picking myself up off of

the ground several times. I wonder why they don't build pathways in the woods like they do in the city. In town, they are smooth and all I ever had to worry about was not breaking Mom's back by stepping on a crack.

It was dark. There was this big yellow ball in the sky that emitted light, but a good old streetlamp would have kept me from nearly breaking my neck.

The noises were all strange to me, like a hundred monsters all screaming at me. Traffic and train noises would have brought me much comfort.

I just don't understand what all this nonsense is about communing with nature. The lady with the flowers in her hair just doesn't know how to build. She could take some lessons from Detroiters.

After all, we city folks can't survive without smog.

Seniors in Lifetime Learning Institute near double this year

The number of senior citizens participating in non-credit educational experiences offered by the Metro-East Institute of Lifetime Learning has almost doubled, according to Clyde Fisher, program chairman for the Institute and assistant director of the Office of Continuing Education at Southern Illinois University at Edwardsville.

Approximately 60 people attended a luncheon which marked completion of the Institute's second year of service to area older adults.

Guests included representatives from four area educational institutions supporting the Institute and members from area chapters of the American Association of Retired Persons, as well as senior citizens who have participated in one or more of the classes, and other interested people.

SIUE, Belleville Area College, Lewis and Clark Community College, and State Community College are the four educational institutions providing support for the learning activities.

During the first year of operation, 448 persons enrolled in 34 classes at eight locations throughout the area. In the year just completed, 815 attended 63 classes at 11 locations. Some seniors participated in three or more classes. Fisher said it was too early to estimate what this year's enrollment will be.

Course offerings have been developed in response to the interests and needs of area citizens. Fisher said. Informational courses for the seniors have included such topics as: knowing your own car, the metric system, understanding insurance, vital information for older people, coping with stress in later years, home repair, home security, and energy conservation.

Skill developing classes have included instruction in disco dance, ballroom dancing, ceramics, bridge, macramé, needlecraft, typing, oil painting and shuffleboard.

Bringing the guests up to date on the Institute's activities during the past year, Fisher said that the second year had been one of rapid growth and expansion in numerous related activities.

One development has been the creation of a regional association of program planners for senior citizen activities. Fisher said. He pointed out that the association was established in response to a need among those responsible for planning activity programs at senior citizen centers and nutrition sites.

The association meets every other month to share program ideas and to explore the possibilities of

sharing resources. As a result of this brainstorming, senior citizens from this region were able to participate in the celebration of the 75th anniversary of the St. Louis World's Fair (1904) and in the St. Louis Art Museum's reception for older adults.

In addition, the Institute was selected by the National Park Service to represent Illinois and variety of courses being offered. In addition, the Institute will participate in the "Country Fair in the City" program, where some exceptional articles handcrafted by senior citizens will be exhibited and sold.

Looking toward the future, Fisher said the Institute will continue to expand the number and variety of courses being offered. In addition, the Institute will participate in the "Country Fair in the City" program, where some exceptional articles handcrafted by senior citizens will be exhibited and sold.

Programing will include a book review program sponsored by the SIUE department of English language and literature, designed for home-bound seniors and broadcast over WISE-PM, the campus radio station. "We will continue to explore the possibility of circulating large print or talking books through the 'Meals on Wheels' program," Fisher said, "and we will continue to develop our relations with nursing homes and retirement centers to discover ways of better serving their clients."

Fisher said the Institute had uncovered quite an array of needs and available opportunities. "We only need to develop and channel the available resources to meet those needs," he said.

"With our enthusiastic and encouraging advisory committee defining needs and pointing out opportunities, and our institutional program directors marshalling resources, we look forward to the coming year with excitement and confidence," Fisher said.

The Institute and its activities have been reported in the January issue of the "Forum for Continuing Education," a national distributed journal in the field of continuing education at the postsecondary level. Fisher said.

Looking toward the future, Fisher said the Institute will continue to expand the number and variety of courses being offered. In addition, the Institute will participate in the "Country Fair in the City" program, where some exceptional articles handcrafted by senior citizens will be exhibited and sold.

Programing will include a book review program sponsored by the SIUE department of English language and literature, designed for home-bound seniors and broadcast over WISE-PM, the campus radio station. Rev. Moon followers arrested in Madison

Four members of the Unification Church, followers of the Reverend Dr. Moon, a Korean who claims to be the "Messiah" returned to earth the second time, were arrested in Madison Thursday about 11:30 a.m.

The followers of Rev. Moon are commonly referred to as "Moonies." The four were charged with soliciting without a city license and each was released on \$50 cash bond Thursday afternoon.

Madison police said they received many complaints Thursday beginning at 8:30 a.m. about the group. After arresting two of the sect followers they directed police to a blue and white van parked at Seventh Street and Washington Avenue.

In the van were six more followers, one of whom apparently was in charge and driving the van. The driver was asked to stop at police headquarters so he could be advised of the charges and actions being taken against the four.

Arrested were: Virginia Sauer, 20, who told police she had no permanent address and no occupation. She was arrested in the 900 block of Washington Avenue.

Steve Lee, Walker, 20, gave his address as 1928 Third Ave., San Diego, Calif. He was arrested at Fourth Street and Washington Avenue.

Walker told police he had no employment. Lorraine Ambrose, 22, gave her address as 1004 Pennsylvania Ave., Washington, D.C., and listed her occupation as a missionary of the Unification Church.

Ayako Makikawa, 27, gave his address as 2955 Ashby Ave., Berkeley, Calif., was also arrested in the 900 block of Washington. He told police he was born in Japan and apparently was a missionary of the Unification Church.

The four are scheduled to appear in court at 9 a.m. in Granite City on Friday. Sgt. 28, to answer the charge.

Senior group plans events

Granite City Chapter 1340, American Association of Retired Persons, met last week at the Township Center, Terry Engle, Belleville, psychic, talked about her work, made some predictions and answered questions from the membership.

After the program, President Helen Bergfield led the membership in the Lord's Prayer and the pledge of allegiance. She introduced guests: Mr. and Mrs. William Golden, Mr. and Mrs. Charles Wade and Lucille Rhodes of Sun City, Ariz.

Vera Carey reported on the previous meeting. The financial report of Clara Schilling was accepted.

President Bergfield asked the membership to make note of the following dates: Oct. 10, next regular meeting; Oct. 15, dance at the center; Oct. 20, Halloween Dance; Nov. 27, Hawaiian Dance; Dec. 12, AARP Christmas dinner dance.

Mildred Moss announced that the Happy Group was making a trip to Fulton, Mo. Irene Kadec reported the following new members: Dorothy Epps, Audrey Franklin, Leatha Worthen, Birdella Mayenburg, Martha Ryan, Joseph Barber, Alva Thompson, Thomas Bridick, Josephine Mitchell and Frank Luschnig.

Oscar Ash told of new legislation introduced by Mrs. Obinger, past state director of the Illinois Dept. of Aging and now representative of Springfield, transferring handling of long-term senior illness to the

Department of Aging. He asked everyone to sign the forms for property assessments for the assessors' office. Edgar Paddock reported on the rules of road and about the downtown activities. Elma Hoover told of the dialogue for Senior Citizens and the Global Issues programs at Southern Illinois University at Edwardsville starting Oct. 12.

Rebecca Parrish thanked those who assisted with the refreshments. Caroline Lutz said there were 140 in attendance. Special prizes were given by Mr. and Mrs. Randall Irwin. There were 28 birthdays celebrated.

HURT ON STATE
Mrs. Evelyn Wilkison, 25, of Madison Ave., was injured when the brakes on her car failed and she went through a stop sign and collided with the auto of Dannie Peters, 2154 Benton St., at 21st and State streets at 6 p.m. Thursday, according to police reports. She was taken by a Granite City ambulance to St. Elizabeth Medical Center where she was treated for an injury to her right shoulder and was released.

22ND ST. BURGLARY
Two clock radios, a \$150 stereo, a \$50 television set and 10 tape recordings were stolen during a burglary at the home of Savana Martin, 1126 Twenty-second St., between 8:15 and 11:15 p.m. Thursday. Entry was gained by tearing a screen in a window.

JEWELRY JOTTINGS

By RUSS WALKER

The Jonker Diamond weighed 726 carats when found in 1934. It was sent to London by ordinary mail for 64 cents postage. There it was cut into 12 gems, the largest being nearly 143 carats. King Farouk paid \$1 million for it.

Diamonds are not expensive when their enduring value is considered. We can show you beautiful stones of any size you desire.

In Memoriam 33

IN LOVING memory of **GOLDIE SULLIVAN**, Sept. 25, 1976. Deep in our hearts you are fondly remembered. Sweet, happy memories cling around your name. True hearts that loved you with deepest affection, always will love you in death just the same. Sadly missed by Husband and Daughter. 33 9 24

IN LOVING memory of **ALICE HARRIS**, Time speeds on, one year has passed, since death its gloom, its shadow cast. Within my home, where all seemed bright, and took from me a shining light. I miss that light and ever will, her vacant place there is none to fill. Down I mourn, but not in vain, for up in Heaven, we will meet again. Sadly missed by Husband Wilburn. 33 9 24

Dated this 10th day of September, 1979.

EVELYN M. BOWLES County Clerk 24 9 17, 24; 10-1

PUBLIC NOTICE Notice of Proposed Change in Schedule

To Patrons of Illinois Power Company: The Illinois Power Company hereby gives notice to the public that it has filed with the Illinois Commerce Commission proposed revisions to its Rules, Regulations and Conditions Applying to Electric Service, Ill. C.C. No. 29, which apply in all communities and areas served by it. The proposed rules contain an emergency electric curtailment plan consisting of rules and priorities relating to service during periods of reduced electric supply.

A copy of the proposed additions to schedules may be inspected by any interested party at any business office of the Company.

All parties interested in this matter may obtain information with respect thereto either directly from this Company or by addressing the Secretary of the Illinois Commerce Commission, Springfield, Illinois, 62706.

Withhold final pay to two contractors

Granite City will be a little late paying two bills for some done by contractors for the city as the aldermen decided Tuesday night to withhold final payments on the new police building and on repairs to the sewage treatment plant until everyone is satisfied the work has been completed properly.

A bill from M.H. Wolfe & Co. for \$75,000 for repairs to the sewage treatment plant was held up until the plant's design engineers have an opportunity to certify that the plant now is working properly. City Engineer Monroe Brewer said the design engineers have studied the work and have found it "substantially completed."

The word "substantially" apparently bothered some aldermen who said they want reports from the design engineers and from the plant superintendent that the plant is working properly before they pay the final bill.

The issue was referred to the council's sewage treatment plant committee, after Chairman Glen Sprankle said the committee had not been shown the bill.

Also held for additional study was a bill from Steward Decatur Security System for \$6,250 for locks and security equipment at the new city police building on Madison Avenue next to the main fire station.

The station was constructed with federal revenue sharing and public works act grant funds. Chief of Police Ronald J. Veizer said one of the door locks is not working properly and Alderman Everett "Cherry" Morlen, chairman of the council's police committee, recommended the final payment be withheld until the chief is satisfied everything is working as planned.

The council appropriated \$900 to offer the owner of a small strip of land at 19th Street and West 20th Street needed to construct the 19th Street overpass. Alderman Sam Whitmer voted against the purchase, but the other aldermen present voted in favor.

The aldermen also agreed to accept the donation of a parcel of land along the side of the Archer Daniels Midland Co. carmel operation on 19th Street for the overpass and certified the value of the property at \$30,000. ADM has agreed to donate the property to the

city, the aldermen were told. An ordinance required by the state showing where the city's local share of funding for the overpass was being raised was approved unanimously. The document shows that \$2,119,359 is needed for the city's share of the construction. Of that, \$550,000 is reserved from community development grant funds and \$1,567,359 will be realized from a \$1.7 million industrial bond issue which is to be repaid by Granite City Steel, the document shows.

The council agreed to purchase a color television for the number three fire station at a cost of \$380, the lowest bid received in the last round of bidding for a set. The set replaced one which broke at that station.

Two bids were opened for carpeting the office on the main floor of city hall formerly occupied by the police detectives and now being used by the city clerk's office for additional space. The low bid of \$948 from Cardin's Carpet was approved over a bid from DeWitt Paint Co. of \$1,117.

Chief Veizer was authorized to purchase \$5,000 parking citation forms from Moore Business forms at a cost of \$1,042.

The council was informed that the city treasurer has been sent \$38,508 in motor fuel taxes collected during August and \$14,917 in municipal tax funds collected during June.

\$400,000 lawsuit

Terry Webb has filed a lawsuit against M.H. Wolfe Construction Co. and Granite City Steel which seeks \$100,000 damages and compensations in each of four counts.

The suit, filed in Madison County Circuit Court, alleges that the Wolfe firm was constructing a structure on the steel company property and had engaged Kroeger Erection Co., for which Webb worked as an ironworker. Webb was helping place corrugated steel sheets on a roof July 16 when he slipped on a coating on the steel sheets and fell, injuring himself, it is alleged.

Two of the counts are against Granite City Steel and the other two counts are against the Wolfe firm.

Cari Crawford marks birthday at skating party

A disco-roller skating party was held in honor of the sixth birthday of Cari Ann Crawford. She is the daughter of Don and Cheryl Crawford.

The party, held at Stardust Skate Center, carried the theme of roller skates and disco records. Beverly Tester, also a cousin, and Kristy Whitaker performed a novelty routine while the birthday guests ate cake and ice cream.

Those attending the party were David Edwards, Amy Fox, Ronnie Gibson, Abigail Hall, Michelle Honchak, Melissa and Gwen Keen, Leah and Laney Schuman, Jeffrey and Mindy Stephens, Terri Doty, Cheryl and Michelle Morton, Darryn and Damon Young, Lori Six, Stacy Tulka, Pam Tester, Dave and Judi Sparks, Mary and Kellie Moore, Beth Bodman, Tracy Arnold, Jason Simpson, Brandy Evans, Sherry Flowers, Stacey Belshe, Cathey, Ross and Dennis Jamison, Frieda Crawford, Kendall Fox, Wanda Gibson, Cheryl Stephens, Joyce Edwards, Pam Mansfield, Betty Tester, Pat Bernaia, Gene Cox and Carol Honchak.

Sarah Watson marks birthday

Mrs. Sarah Watson celebrated her birthday with a surprise dinner held in her honor at the home of her daughter and son-in-law, Peggy and Dale Parker of 530 Tennessee Ave., Mitchell.

Guests included Frank, Marilyn and Eric Humphreys, Bill and Vickie Parker, James, Pauline and Missy Grubbs, Emory and John Redstone, and Pat, Junior and Darla Overfelt, all of Granite City.

Gerlean Parker, Frank, Geneva and Doug Byrum, Alice, Joe and Roger Wondra, and Shirley and Scott Byrum, all of Mitchell, Corinthia Gough, Cahokia Millard and Ellouise Linhart, Chicago, Alvin and Jean Linhart, St. Louis, Delbert and Frances Sherman, St. Louis, Charles, Bonnie and Tammy Turner, Bond, Mo., and Jim, Trish, Kim, Chris and Stephanie Pike, St. Charles, Mo.

EXHIBIT ON 1904
ST. LOUIS FAIR
 An exhibition of photographs, souvenirs, and memorabilia of the Louisiana Purchase Exposition of 1904, commonly referred to as the St. Louis World's Fair, will be on display in the Special Exhibits Gallery at the Old Courthouse through Nov. 15. The 16 photographic enlargements and memorabilia depict the different people and wide variety of activities at the fairgrounds in 1904. The Jefferson National Expansion Memorial is sponsoring this exhibit to commemorate the 75th anniversary of the fair.

CHICAGO CHILDREN'S CHOIR. It will perform at the National Shrine of Our Lady of the Snows, 9500 W. Ill. Rt. 15, Sunday, Sept. 30, at 7 p.m. at the Outdoor Amphitheater. The choir will also provide the music for the morning liturgies at 10 and 11:30 a.m. The Chicago Children's Choir's appearance is sponsored by the Catholic Knights and Ladies of Illinois in cooperation with the Shrine. Admission is free.

Mrs. Broyles hosts A to Z

Mrs. Lucille Broyles hosted the September meeting of the A to Z Pinochle Club Monday evening in her home.

A dessert course was served followed by card games.

Mesdames Mary Mang, Helen Love, Sue Busch, and Helen Kradowicki. Others present were Mesdames Madeline Wenner, Isa Bauer and Ruth Kinder. Mrs. Mang will host the next meeting.

Two young women were injured when their car and the auto of Linda Sturman, 2781 Sunset Drive, collided on Nameoki Road in front of Jack-in-the-Box Restaurant, 3330 Nameoki Road, last week.

Miss Susan Pavia, 27, of 310 Springfield Ave., Mitchell, driver of the other car, said she was southbound on Nameoki Roads and slowed for a left turn when an unknown vehicle entered the roadway from the restaurant, causing her to stop suddenly.

Linda Sturman's southbound auto then struck the rear of Miss Pavia's auto. Police were told, Miss Pavia suffered neck pain and underwent X-rays at St. Elizabeth Medical Center before being released.

A passenger in her car, Mrs. Joyce Chung, 24, of 300 Springfield Ave., Mitchell, suffered back pain and was X-rayed and released.

Mr. and Mrs. George E. Cochran of Glen Carbon have selected the name, Ryan Taylor, for their first child, a son born Sept. 16 at Jewish Hospital, St. Louis.

The infant weighed eight pounds, four ounces. The mother is the former Miss Kathleen Jones. She is a first grade teacher at Maryville School here.

The maternal grandparents are Mr. and Mrs. Archie Hogan of Granite City. Mr. and Mrs. George Cochran of Salem, Mo., are the paternal grandparents.

Carry-out phones. Up to \$15 off.

Thinking about phones? PhoneCenter Store shopping can save you time and money.

If your home is equipped with plug-in jacks, just visit your nearby PhoneCenter Store, pick out your new phones, carry them home with you and plug them in. Or, if you're moving, it's as

simple as bringing in your old phones and picking out new ones.

You'll save up to \$15 on handling and installation charges just by picking up the phones yourself.

And even without plug-in jacks, you'll still save at least \$2 by shopping at the PhoneCenter Store.

So come in and choose from a selection of genuine Bell phones that are as individual as you are.

Whether you want to be contemporary, elegant, nostalgic, classic, far out, or just plain fun, there's a phone that's right for you.

Just carry them out from the Illinois Bell PhoneCenter Store nearest you. Charge them to your phone bill.

Granite City PhoneCenter Store at No. 2 Crossroads Plaza. Open Weekdays 8:30 to 5.

Party honors Sheri Bushong

A clown theme was used for the birthday party of Sheri Bushong, the daughter of Mr. and Mrs. Thomas Bushong, 1836 Bremen Ave. She celebrated her sixth birthday.

The patio and yard were decorated with streamers and colorful balloons. A birthday cake decorated with miniature balloons and streamers was the centerpiece. Games were played and refreshments were served.

Those attending were Rhonda Benson, Angie Withers, Lori and Ginny Tower, Lynn Yehling, Kathy Engleke, James Holmes, Darla Wolfe, Susan and Rosie Selka, Lisa Powell, Sean and Brian Paterson, Jason McGuire, Susie Fabry, Shawn Buckingham, Steven Blind, Tracy Antovich, Julie and Emilie Bailey and Shelly Reynolds.

Those assisting with the party were Lori Bushong, a sister of the honoree, and Carol Fabry.

A separate birthday dinner was celebrated with the honoree and her grandparents, Mr. and Mrs. Robert Gawwiner and Russell Bailey.

TOP ARMY RECRUITER Staff Sgt. Jay Tichel, of the Granite City Army Recruiting Office, 3675 Nameoki Road, right, is congratulated by Major Ernest L. Spivey, acting commander of the U.S. Army St. Louis District Recruiting Command, Sgt. Tichel was honored for outstanding performance in his duties and named Top Army Recruiter for the month of August.

QONK'S DRIVE-IN LIQUOR IT'S QUICKER!

Army recruiter here honored for duty

Staff Sergeant Jay Tichel, who works out of the Army Recruiting Station at 3675 Nameoki Road, Granite City, has been honored for his official duties. He was named "Top Army Recruiter" in southern Illinois for the month of August.

The honor was conferred at a ceremony in St. Louis by Major Ernest L. Spivey Jr., U.S. Army St. Louis District Recruiting Command acting commander.

Born in York, Pa., Staff Sgt. Tichel joined the Army in 1970. He served in the supply field before becoming an Army recruiter. Staff Sgt. Tichel has served in locations including Fort Sam Houston, Tex.; Vietnam; Fort Hood, Tex. and Italy. This is not the first distinction Staff Sgt. Tichel has earned for his outstanding service. He wears a number of medals, including the Meritorious Service Medal, the Vietnam Campaign Medal and the Vietnam Service Medal.

Young people who can meet the Army's physical and aptitude standards should contact Staff Sgt. Tichel to learn more about Army opportunities. He has information on skill training, educational aid, travel options, and many other benefits. He may be called at 876-5950. Out-of-town residents may call collect.

Now is the time to check your furnace and chimney

If you heat your home with natural gas, now is the time to check your furnace and chimney. It's worth a little effort to keep your heating system clean and the flue unobstructed.

You'll enjoy safe, trouble-free heating.

Here are a few checkpoints:

1. With a circulating warm air furnace, clean the heat exchanger and

burners.

2. Clean or replace furnace filters frequently.

3. Clean lint regularly from hot water or steam radiators.

4. Flush the low water cut-off of a steam boiler once a week until water runs clear.

5. Clean lint and other debris from heat registers.

6. Blowers and blower motors should be cleaned and oiled sparingly at regular intervals. Make sure the blower belt is tight and not worn.

7. Make sure your chimney is free of debris. Check by placing a lighted match under the diverter, at the connection of the furnace exhaust pipe. If the flame goes out or downward, shut off the furnace until the chimney is cleaned.

New rules on use of schools

New rules and regulations governing use of school buildings and grounds in the Granite City district, adopted last week, follows:

1. **Procedure.**
a. School facilities are designed primarily for school purposes and may be used without charge for meetings of organizations directly affiliated with Community Unit School District 9 by making arrangements with the principal of the building. Exception to this rule is when such usage involves additional costs to the School District.

2. Any local group, except PTA, school scouting groups, or organizations directly affiliated with Community Unit School District 9, requesting the use of school facilities must submit a letter to the board of Education for action at the next regular meeting, stating:

a. Reasons for the use of the facility.
b. Date(s) of such usage.
c. Approximate number of participants.
d. Name of sponsoring organization or person.
e. Whether or not admission is to be charged.

3. Dates for use of facilities must be cleared with the building principal.
4. An approval letter will be returned to the group stating the action of the Board of Education. Such letter is to be a form letter signed by the President and Secretary of the Board of Education and shall be made out in triplicate; one copy to be returned to the group, one to the building principal, and one to be filed with the Board of Education office.

5. After the letter of approval by the Board of Education is received, contracts must be signed by persons representing the group requesting use of facilities and the principal or representative of the school district.

6. Local persons or organizations using the facilities shall be required to pay to the principal of the building a minimal charge not later than five (5) days prior to the time the facility is to be used and any additional charges due immediately following such event.

If permission to use the facilities is denied, the charge will be returned to the person or organization making such payment. Any organizations which fails to pay any applicable charges shall be denied future use of school facilities. Exception, when a local church group uses the facilities for religious services for a temporary period of time, they shall be allowed to pay on a monthly basis.

II. **Rental Regulations.**
Educational organizations of a county area, state or national nature may be granted use of the facilities at a charge sufficient to reimburse Community Unit School District 9 for the cost of overtime for its employees. These groups must follow the same procedure as outlined in paragraph 2-6 under procedure.

2. Building and ground facilities may be granted to community organizations such as Boy Scouts, Girl Scouts, Park Districts,

PTA's and similarly school connected parent groups, in the School District as the Board deems worthy for meetings without charge, provided that such use may be limited and/or directed to areas where facilities are available without extra cost to Community Unit School District 9. A minimum fee will be charged for meetings on Saturday, Sunday, or Holidays to cover any costs to the district.

3. Local religious groups may be permitted to use elementary school facilities for regular religious services for a temporary period of time (up to 6 months) or related functions, for a charge sufficient to pay cost of operation. Minimum charge (3 hour session or less), for such meetings held on Saturday, Sunday, or Holidays, or night when school is not in session shall be \$5 plus costs incurred by the district for each use.

4. Local community groups, organized in the interest of general civic welfare, may be permitted to utilize facilities for regular membership meetings without charge when such use does not incur extra costs to Community Unit School District 9. When extra costs are involved, payment will be required in an amount sufficient to defray such costs.

5. Private schools located in the boundaries of Community Unit School District 9 may be granted permission to use a gym for basketball practice of the official school team on a cost incurred basis and insurance.

6. When the building principal believes that additional custodial service is necessary because of the size of the group using the facilities, the individual or group using the facilities must pay the extra costs.

7. Local groups making application for use of school facilities must accept the responsibility for the care of the facilities during the period of use and for the maintenance of satisfactory citizenship practices.

8. The individual or group receiving permission to use school facilities shall be responsible for all damage or loss of school property, including that belonging to school students or employees, during the time the facilities are in use under that permission.

9. No combustible materials, other than of a minimal decorative nature are to be brought into the building. Use of said material must be cleared with the building principal.

10. Use of kitchen facilities shall be in accordance with the cafeteria agreement, and all necessary charges will be paid by the organization using the facilities.

III. **Rental Rate Schedule.**
1. Collection of fees shall be the responsibility of the respective building principals.
High Schools (No admissions and with admissions):
Auditoriums, \$75 or \$115.
Rehearsals, none or \$65.
Cafeterias, \$25 or \$65.
Gyms, \$75 or \$115.
Gym Annex, \$50 or \$75.
Classrooms, \$10 or \$30.
Junior High Schools:
Cafeterias, \$25 or \$65.
Gyms, \$50 or \$90.
Classrooms, \$10 or \$30.
Elementary:
Cafeterias, \$20 or \$55

All Purpose Rooms, \$20 or \$55.

Classrooms, \$10 or \$30.
a. Use of buildings having air conditioning will increase the charge by \$25 during the cooling season.

b. Schedule applies to maximum three hour event. Events exceeding three hours will be charged an hourly rate equal to one-third the fee.

c. Use of facilities on Saturday, Sunday, or holidays will result in an additional 25 percent charge.

d. Additional custodial services shall be charged at a minimum of four hours time and one and one-half the hourly rate of the custodian plus current IMRF costs.

e. Charges on a cost-incurred basis will be made for preparation and/or clean up by District employees. Events scheduled outside the regular school term may require additional charges for utilities in addition to scheduled rates.

g. If school district administrative supervision is deemed necessary, an additional charge of \$11 shall be made for each hour so worked. This applies only to events not related to the school or school connected groups.

h. A \$31.50 charge will be made for the services of the technical director.

i. A charge of \$3 per hour will be made for student technical helpers.

IV. **Insurance Provision.**
At the option of the Board of Education, evidence of insurance may be required of any group using school facilities.

1. Such evidence of insurance shall provide liability coverage in an amount not less than \$25,000 B.I. and \$10,000 P.D. Where gatherings are in excess of 200 persons, coverage shall be not less than \$100,000 B.I. and \$25,000 P.D.

2. In some instances, a notarized statement indicating that the group has insurance coverage to protect the district from loss due to injury to individuals or property damage will be acceptable. Such letter shall carry the name of the insuring company and policy number with effective date.

USE CREDIT CARD

A credit card stolen last week from the wallet of Joan Rich, an employee of Olin Mills Studio in Crossroads Plaza Shopping Center, was used to make a \$75 purchase at Riverroads Shopping Center in St. Louis, police here have been notified. Joan Rich said three credit cards and \$65 cash were taken from her wallet at the store and the wallet was thrown in the tank of the toilet in the women's restroom.

Replace your old furnace with the ENERGY SAVERS from General Electric

AMBASSADOR MARK II... THE FINEST GAS FURNACE LINE GE BUILDS.
Makes available two outstanding economy features - Electric Spark Ignition as standard equipment, and Automatic Vent Damper as an optional accessory. Factory-ready to add General Electric central air conditioning.

ELECTRIC SPARK IGNITION
Engineered for the energy and economy-minded homeowner. Eliminates need for a constant-burning pilot. When thermostat calls for heat, this system automatically ignites pilot which, in turn, lights the main burners. No fuel is consumed during non-operative periods!

AUTOMATIC VENT DAMPER
Puts a damper on heat loss! Installed on the vent outlet of a GE Ambassador Mark II gas-fired furnace (natural gas model only), helps keep heated air inside your home, increasing efficiency of furnace and reducing annual fuel consumption.

MORE ACCESSORIES FOR BETTER LIVING:

ELECTRONIC AIR CLEANER
Removes most air-borne dust and pollen before they can settle. Easy to install, economical to use. Helps reduce household humidity.

HUMIDIFIER
When controlled by a humidistat, it automatically provides moisture to the dry indoor air, during those long winter months.

New school TV series

This month, students in Illinois and across the country will begin viewing an educational television series that promotes the teaching of basic skills, State Superintendent of Education Joseph M. Cronin has announced.

The series, entitled "ThinkAbout," will be aired on five public television stations covering Illinois, including TV 9 here, as well as three commercial stations in the state.

Developed for fifth and sixth grade students, the television series is designed to strengthen the reasoning skills of students and reinforce their communication, mathematics and study skills.

"Teachers can use the instructional series as one more way for students to practice basic skills learned in the classroom," Cronin emphasized.

Some of the skills essential to learning identified in "ThinkAbout," a series of 60 15-minute lessons, include: reading, writing, listening, measurement, and study

skills. Two lessons a week will be aired on television. The 60 lessons are organized into 13 clusters. Between lessons, children will receive thought-provoking problems and tips on how to use the basic skills learned.

Teacher guides have been mailed to fifth and sixth grade teachers throughout the nation. "ThinkAbout" was initiated by the Agency for Instructional Television and was developed over a five-year period. The Illinois State Board of Education is one of 35 state and Canadian educational agencies that, along with private firms and the Corporation for Public Broadcasting, financed production of the series.

THEFT FROM AUTO
A \$15 set of jumper cables and two tool boxes containing about \$400 worth of tools were stolen from the auto of Clarence Hagler, 2901 Nameoki Drive, parked in the driveway of his home last week. The left rear window of the car was broken to gain entry to the interior.

Guild marks 25th year

St. Peter's Evening Women's Guild celebrated the 25th year of its organization at the September meeting, with Dorothy Kinney presiding. Members of St. Peter's Afternoon Women's Guild were guests.

Forty-four members attended, including the following past presidents of the Evening Guild: Thelma Markgraf, the first president in 1954, and Ella Hoelscher, Ruth Huxel, Laura Taylor, Helen Todd, Ronice Branding, Leona Wintermeyer, Joyce Matson, Georgia Boettger, Dorothy Kinney, Ruth Ann Bartels and Annellen Smith.

Devotions were led by Thelma Markgraf, Laura Taylor and Georgia Boettger, and a resume of the events of the past 25 years was read.

The refreshment table was decorated with a floral centerpiece, a gift from the Afternoon Guild, and a decorated 25th Anniversary cake provided by Karen Anders and Joyce Hayes.

Refreshments were served by Annabelle Patton, Thelma Baker and Lucretia Wright.

St. John's Evening Women's Guild members will be guests of St. Peter's Evening Guild on Oct. 1.

BLACK CAT DANCE committee reviewing details of the annual event are, from the left: Mrs. Winnie Sasyk, Mrs. Julia Voloski and Mrs. Ida Dant, all members of the Madison Ladies City Organization, the dance sponsor. The event is

scheduled for Friday, Oct. 5, beginning at 9 p.m. in the Croatian Home, 1000 Madison Ave. Tickets are \$2 and the Terry Dutko band will provide the music.

(Press-Record Photo by Mick Strang)

Welcoming of students Friday night

Music, movies, magic and munchies are only a few of the more than 30 festivities planned for "Fallout '79," the University Center open house at SIUE Friday. Activities are planned in the University Center from 7 p.m. to 2 a.m. to "welcome students back and welcome new students to the university," according to Mike Gillette of the University Center program department.

He adds that students weren't the only ones invited to the open house. SIUE faculty, staff, alumni and the general public are welcome to attend. Highlights will include a grand opening preview of the Upper Deck restaurant, formerly the University Club. The restaurant will be open from 4 to 8 p.m., featuring a new menu with specials plus a regular menu. Restaurant patrons will be entertained by Brook Stephens on piano and Cynthia Chang on the Chinese zither.

Desserts only will be served in the Upper Deck from 8 to 9 p.m. Friday. Kevin Spohr, a magician from Six Flags Over Mid-America, will perform in the restaurant at this time. "An Unmarried Woman" will be shown in Meridian Hall at 7 p.m. and in the second floor conference area at 12 midnight. The film

stars Jill Clayburgh as Erica, a woman who must rediscover herself when her husband leaves her for a younger woman. Miss Clayburgh was named best actress at Cannes for her performance in this film.

Freshmen students who attended New Student Life orientation sessions this summer will be reunited in "Building 506" at 7 p.m. in the Mississippi-Illinois Room.

Refreshments will be served as freshmen and New Student Life advisers meet again to discuss any additional problems students may have encountered during the first week of school, according to Jim Rotter, New Student Life coordinator.

Goshen Lounge will serve as a temporary athletic facility as members of Campus Recreation, Intercollegiate Athletics and Intramurals provide demonstrations on sailing, skiing, canoeing, camping and backpacking in "That's

Entertainment" from 9 p.m. to 2 a.m.

The University Bookstore will open from 9 p.m. to midnight, featuring sales on paperback books, SIUE glassware, jewelry and tee shirts. Daniel Sproate, a solo guitarist, will entertain Bookstore patrons from 9:15 to 10 p.m. A cake decorating demonstration and cakewalk will be held in the store from 10 to 10:30 p.m.

The Richard Stein Disco Express will perform in Meridian Hall from 10 p.m. to 2 a.m., playing a variety of music from the '40's to the '70's. Disco lessons will be given from 11 to 11:30 p.m. and from midnight to 12:30 a.m.

Crafts, games, recreational activities, food specials and entertainers will be featured throughout the evening in the University Center.

Admission is \$2 for SIUE students with identification, \$3 for SIUE faculty, staff and alumni; and \$4 for the general public.

CONGRESS
The second Continental Congress passed legislation on Oct. 13, 1776, authorizing the acquisition of ships and the establishment of a Navy.

auto service

K mart AUTOMOTIVE SERVICE POLICY
K mart's policy is to perform only needed services. For your benefit, K mart auto services are necessarily conditioned on K mart's right to decline any service, whether advertised or not, where a car has related deteriorated or worn parts which create or continue an unsatisfactory or unsafe driving condition, unless the customer gives K mart a written waiver of replacement of such needed parts. Needed brake system parts may not be waived by customer; K mart may in its judgment refuse to perform any partial brake job where your safety is at stake.
